

IN THE FIGHT FOR FREEDOM

Send in news of your boy so his friends in uniform may keep in touch with him. Phone 788.

Mrs. Earl Lehman received flowers for Mother's Day from her son-in-law, Pte. Harold Sanderson, who is serving in Holland.

Cpl. Norman Darrach, who has been fighting on the western front with the North Nova Scotia Highlanders, spent his second birthday overseas on June 3. He has fought in France, Belgium, Holland and Germany.

FO J. E. Cullen has just returned to P.E.I. after spending ten days leave with his wife and small son, Cliff, at the home of his parents, Mr. and Mrs. James Cullen.

LAC and Mrs. Albert Selby and baby of Kingston spent the weekend with Mr. and Mrs. L. Selby and LAC Selby's mother, Mrs. W. B. Selby, Sharon.

LAC Archie Bennett, son of Mr. and Mrs. Paul Bennett, Newmarket, has arrived overseas.

Mrs. Roy Sanderson received a bouquet of roses from her husband, Pte. Roy Sanderson, who is overseas, on their third wedding anniversary on June 3.

FRIENDS, KIN MEET LIBERATED CAPTIVES

"The carton of cigarettes sent from your club arrived in good shape this morning," Pte. A. L. Marshall writes in a card of appreciation to the Newmarket Veterans' Soldiers' Comforts fund. "Thanks very much for remembering me as they are really appreciated. I was talking to Bill VanZant this morning who has just been released after being a P.O.W. for two years. Also met Geale Hewson last week. He had spent nine months in a prison camp. Both fellows looked very good but had spent many very trying weeks and also hungry ones while in German hands."

"Many thanks for the gum for I hate answering that perennial question, 'Any gum, chum,' in the negative," Lieut. Ted Hewson writes the Veterans. "Now NWE is over we don't know just where we stand but meanwhile we are still moving vehicles. Tomorrow I go on leave with Geale. The Russians liberated his camp on May Day and he was in England on the 14th. He'll probably be home before long but it will be some time yet before I see Canada."

"Received a package of chewing gum from you today," writes SO Elizabeth Hewson. "Many thanks for your thoughtfulness in sending it to me. Very soon now we shall be on our way home again. The P.O.W.'s are leading the way and we hope to follow in our turn."

V-E Day In England A Sight—Sgt. A. Harden

"V-E Day here in England was quite a sight," writes Sgt. A. Harden in a letter of thanks for cigarettes sent him by the Newmarket Veterans' Soldiers' Comforts fund. "People simply went wild. The pubs were wide open, and large, happy groups of men, women and children, and all branches of the services formed huge circles and sang like mad."

"Dances and sing-songs were held in the streets. Around midnight, huge bonfires were started right in the centre of main intersections, and the people piled their old black-out screens on by the hundreds. While torches and bonfires were flaming, songs for the different Allied services were sung and I am proud to say that when O Canada was sung, the people sang it loud and strong right from their hearts."

"Searchlights by hundreds threw great beams of light all over the sky. The night following V-E Day was very similar to V-E Day. The above is what happened in a small town, Leatherhead, so you can imagine what it was like in London and other great cities."

"I have met several Newmarket boys in England. Jack Hamilton, Glen Boyd, Art Bennington, Red Waller, Joe Flannagan, Ken Bishop, Red Palmateer, Earle Lovelock, Ab. Watts and so on. I called on Harold Evans but he was sleeping so didn't manage to see him. I was able to visit Jackie Williams and Garnet Trivett in the hospital at Basingstoke, and their spirit is excellent despite the severity of their injuries."

Earl Toole Gives Program Of Party At Newmarket Rally

He had been a member of the Liberal party as long as he had thought that it was serving the best interests of Canada but he had become dissatisfied with the Liberal policy and so had turned to the Progressive Conservative party as the party which he thought would serve Canada best, Earl Toole, federal Progressive Conservative candidate for York North, declared at a Progressive Conservative rally in the Newmarket town hall last Thursday.

The Progressive Conservative party has retained what was best of the old policy and has added to it a platform suitable to the present times, Mr. Toole stated. "It is a new party, a people's party," he said.

Mr. Toole said the Progressive Conservative party was prepared to do away with all red tape connected with rehabilitation, to provide better housing and hospital facilities for veterans, improve grants and adhere to the first in, first out program.

"The Progressive Conservative party would guarantee a fair price for the farmer who in the past had not received his just share of the national income," Mr. Toole stated. "The farmer receives about one-sixth of the national income but one-third of the population are farmers. The farmer is the forgotten man."

Up to date legislation was part of the Progressive Conservative policy, Mr. Toole said, especially in the light of the problems of transition from war to peace production. "The Progressive Conservative party approves collective bargaining. Labor will not be forgotten but will receive just and equitable treatment," he said.

Memorial Broadcast Is Dedicated On Sunday

The Memorial Broadcast of the Congregational-Christian church in Newmarket was dedicated Sunday to the memory of those from Newmarket and district who lost their lives during the war, in a service conducted by Rev. A. B. Stein. Organ music will be played before the services.

Mayor Dr. L. W. Dales read the names of those who have lost their lives in the service and in his remarks, said that the great solution for the world's troubles was found in the message of the church. He said that through the Memorial Broadcast, that message would reach many more.

Newmarket veterans marched into church and the president of the Newmarket Veterans' Association, Alfred Smith, spoke on behalf of the returned men. Hon. Capt. the Rev. Ivaney, Newmarket military camp, said that the veterans of the war asked not sympathy but a chance to re-establish themselves in their civilian lives.

Rev. G. H. Johnson, D.D., president of the Ministerial Association, led the congregation in prayer and Capt. Arthur Robinson, Salvation Army, led the congregation in a prayer of dedication. W. I. McElwain led the closing prayer and Benediction. Rev. L. E. Sparks read the scripture lesson. Wm. Grieg sounded the Last Post and Reveille.

LADIES' BALL LEAGUE OPENS TUES, JUNE 12

Tuesday evening, June 12, the Newmarket ladies' softball league will get underway at Stuart Scott school grounds at 7 p.m. sharp. The Newmarket Orioles will be hosts to No. 23 B.T.C. for the opening game. Mayor Dr. L. W. Dales and Lieut. Col. Newton M. Young will be on hand to officially open the ball season for 1945.

Saying that the ideas expressed by the C.C.F. had been tried out before and in other lands and they had not succeeded, Mr. Toole urged his listeners "not to be fooled by the policy of fear of a return to depression days. During the dark 30's, there was a million on relief, but in Russia, six to ten million socialists died of starvation."

"The Progressive Conservative party believes in free enterprise, production for profit, not for use," he declared.

Major A. "Lex" Mackenzie, since elected as provincial member of the legislature, said that the real issue in the elections was state socialism or the traditional government. "I am appealing for your support of the government through me, not for myself alone," he declared. He said that the Drew government was not seeking re-election on promises but on a record of a job done.

Dr. S. J. Boyd cited the differences in his tax bills of this year and last as evidence that the Drew government had relieved the taxpayer of some of his burden by assuming 50 percent of the school costs. "Taxes are lower than they have been in a long time, thanks to Drew," he declared.

Leslie Blackwell, attorney general of the province, denied that the charges made by the leader of the C.C.F., E. B. Joliffe, that Premier Drew had established and maintained a "Gestapo" to spy on political opponents had any truth. He outlined the existing police arrangements and declared emphatically that there was no such office or department as alleged by Mr. Joliffe.

HOME FROM SEA

Able Seaman Fred Bray, son of Mrs. E. Bray, Newmarket, has arrived home after being overseas and spending two years as a gunner on a motor torpedo boat in the Atlantic. A.B. Bray will have been in the navy three years in July. He is home on 50 days' leave and will then report to Halifax.

Although his mother knew he was coming home, she didn't know just when, so when he arrived at his home yesterday morning, it was a pleasant surprise.

D.F.C. IS AWARDED TO FLT.-LIEUT. S. J. WALKER

Word has been received by Mr. and Mrs. J. B. Walker, Park Ave., that their son, Flt.-Lieut. S. J. Walker, has been awarded the Distinguished Flying Cross. Flt. Lieut. Walker is at present stationed in Halifax where he was posted following his return from overseas.

A wireless air-gunner, Flt. Lieut. Walker enlisted four years ago and for two years was posted on the east coast. Following that, he was sent overseas where for 15 months he flew with the Leaside bomber squadron. After his tour of duty was ended, he returned to Canada where he took a course in Toronto and then was posted to Halifax.

BEAUTIFY TOWN

The Horticultural Society is placing window boxes in public buildings as part of its program of town beautification. The program also includes the planting of garden plots about the Lions club sign at the outskirts of town.

BROTHERS ARE HOME

Flt.-Sgt. Ed. Burke and WO2 Des. Burke have recently returned from overseas each having completed a tour of operational flights over enemy territory.

ARRIVES HOME

Pte. Garnet Trivett arrived in Newmarket yesterday after coming over from England on the Lady Nelson. He was wounded and spent some time in hospital in England before coming home.

Aged, Incurably Ill Said In Need Of Special Care

In a report presented at York county council by the warden, Fred A. Lundy and commissioners, lack of hospital facilities to care for two types of patients were pointed out as occasions for concern on the part of the council.

The two types were listed by Warden Lundy and his county commissioners as: "Elderly people whose health is such that they cannot be taken care of in the House of Refuge and yet are not sufficiently ill to require public hospital care" and "incurable or chronically ill."

The report explained that the first group applies in the majority of cases to the elderly senile patient, who requires constant supervision.

The warden and commissioners recommended the council that the special committee of hospitalization make a study of the problem, reviewing the probable solutions and report to council at the November session.

"We further recommend that the problem be taken up with the Ontario Department of Health and other interested governmental authorities," the report suggested.

Other recommendations included: The making of an appeal to the provincial government to make a survey of the problem throughout the province; and that consideration be given to the establishment of convalescent homes to house and care for such cases, probably on an inter-county basis.

"If the survey reveals that one such home could serve several counties, then action should be taken to zone the province into various sections with one such convalescent home to serve each zone," the report continued.

Reeve F. J. MacRae, York township, chairman of the special hospitalization committee, suggested that at least \$45,000 would be required to start any program that might relieve the situation.

Reeve F. G. Gardiner, Forest Hill Village, declared that council members would have to think in terms of an expenditure of \$1,000,000 to take care of the hospitalization problem as it affects York county.

He suggested raising that amount at the present time when money can be raised at comparatively low rates of interest. He said that the funds could be invested in Victory Bonds and would then be available when required, and the cost could be spread over a ten year period.

Council accepted the recommendation of the warden and commissioners to have the Special Hospitalization Committee study and report on the problem at the November session.

Deputy-Reeve George Treadway, East York, urged that consideration be given to provide facilities, where aged couples would not be separated but be permitted to live together in their declining years. "The Anglican church provides such facilities," he explained.

FAMILY REUNION

FO Geale Hewson, who has recently been liberated from a prisoner-of-war camp in Germany, Lieut. Ted Hewson and SO Elizabeth Hewson, who are both overseas, spent a leave in Scotland together recently.

LADIES' LAWN BOWLING

The ladies' opening lawn bowling games of the season will be held on Friday, June 8, commencing at 2 p.m. All members, old and new, are requested to be on hand. Mrs. C. F. Willis and Mrs. Percy King are the games convenors.

BOWLERS MEET IN HONOR OF CHAS. WILLIS

The old and new members' night of the Newmarket Lawn Bowling club was held Friday evening at the bowling greens, and was featured by a presentation from the club members to C. F. Willis, veteran secretary of the club. Mr. Willis was presented with a set of dinnerware and a testimonial which read in part:

"For over three decades you have served the Newmarket Lawn Bowling club faithfully and well. Your fellow members and friends are gathered here tonight to show their appreciation for the untiring effort and long service you have rendered this club season after season."

"Through winter storms and sunny weather, your business abode has always proved welcome retreat for lovers of the ancient game, and many close shots have been played over again under your friendly roof. Many of the old timers have passed away but many of your bowling comrades of bygone days echo the tribute which we pay to you tonight."

"It is the hope and earnest wish of this club that you will be spared many years of happiness, good health, and a keen eye for your favorite sport. So as a fitting climax to this occasion and in commemoration of over 30 years' service to this club, we say to you as one voice, 'Well done, good and faithful servant.'"

The testimonial was signed by R. W. Jelley, president of the club, B. A. Budd, first vice-president, C. E. VanderVoort, second vice-president, and K. G. Flett, treasurer. Tom Doyle read the testimonial to the members assembled before presenting it to Mr. Willis.

Mayor Dr. L. W. Dales spoke on behalf of the town and G. L. Manning made the presentation of the dinnerware. Mr. Willis thanked the members and told of his association with the club for over 30 years.

Two short games were bowled and Fred Chantler's rink won the prize. Lunch was served by the ladies and although the weather was not favorable, a very pleasant evening was had by all present.

Tuesday night was to have been the official opening of the club but owing to poor weather, opening night has been held over to Tuesday, June 12.

FIRST SECTION BOWLS DIXON SINGLES FRIDAY

The first section of the Dixon singles will be bowled on Friday, starting at 7 p.m. The second section will be bowled the following Friday. The open trebles are scheduled for Saturday and officials are asking for more entries from the Newmarket club.

The following players are asked to be at the greens Friday at 7 p.m.: Manning, Luck, Smith, Jones, Brown, Doyle, McCaffrey, Little, Pritchard, Chantler, Bosworth, Murdoch, Wainman, VanderVoort, Cotton, Gibson, Peters, Law, Large, Stark, Cain, Cockburn, Lyons, Giovannelli.

MRS. FRANK WALKER WAS ILL NINE DAYS

A resident of Zephyr nearly all her life, Mrs. Frank Walker died on June 2 after an illness of only nine days.

Georgina Riechbrough was born in England on Aug. 15, 1856. She married Frank Walker on Nov. 22, 1882, and they farmed until 1926. She was a member of the United church.

Surviving are her husband, two sons, Fred and Elwood, both of Zephyr, two daughters, Alma Webster, Toronto, and Jessie Hockley, Sandford.

Rev. A. F. Bamford conducted the funeral service at Zephyr on Monday. Interment was made in Zephyr cemetery.

David White Is Home, Was Overseas 5 Years

Tpr. David White, son of the late William White, and Mrs. White, formerly of Newmarket, arrived in Toronto Wednesday after serving five years overseas. He was fighting in Germany when the Nazis surrendered to the Allies.

Mrs. David White, formerly Denise Collet, daughter of Mr. G. Collet, president of the Belgium Chamber of Commerce, London, Eng., arrived in Toronto three weeks previously and has been staying with relatives until Tpr. White returned to Canada.

A. A. Mackenzie Wins York North Riding For Prog. Con. Party

Major A. "Lex" Mackenzie, Progressive Conservative candidate for the riding of York North, won a clear victory over the other two candidates, George H. Mitchell, C.C.F., and R. W. Scott, Liberal. The final election results as given by the returning officer, Arthur T. Wells, on Wednesday night were:

Maj. Mackenzie, 9,637; Mr. Mitchell, 6,244; Mr. Scott, 6,826.

Throughout the province, the Progressive Conservative party captured 66 seats, the Liberal party ten seats, the C.C.F. six seats. Two seats each went to Liberal Labor and Labor Progressive candidates. Four seats are still in doubt.

Both the leaders of the C.C.F., E. B. Joliffe, and the Liberal party, Mitchell F. Hepburn, were defeated.

The soldier vote has not yet been counted and in some ridings it is expected that the count of soldiers' votes will reverse the civilian ballot.

A picture of the vote in Newmarket is provided by the following results:

St. Paul's Parish Hall Freed Of Mortgage

Following confirmation services in St. Paul's Anglican church, the congregation gathered in the parish hall to witness the burning of the mortgage Thursday evening. A musical program preceded addresses by Archbishop Derwyn T. Owen, primate of all Canada, the rector, Rev. G. H. Johnson, D.D., and the two wardens, J. O. Little and J. E. Nesbitt. Sgt. Gordon Hallett, at present on the staff of Newmarket military camp played several numbers. Mrs. Little and Miss Velma Thompson sang duets with Mrs. Leach at the piano.

The highlight of the evening came when Mr. Little, after giving a brief history of the mortgage on the parish hall, set fire to it while the large crowd gave an audible sigh of relief to see it burn.

The ladies of the church then served coffee and sandwiches and a merry social hour was enjoyed by everyone present. There were interested visitors from sister churches in Richmond Hill, Sharon, Holland Landing, Sutton and Toronto.

SOFTBALL TONIGHT

Newmarket camp will play the R.C.A.F. team at the camp tonight at 6.30 in a game in the senior softball series.

Public School Teacher Is Back In England

Word has been received by Mrs. Raymond Taylor that her husband, Flt.-Lieut. Raymond Taylor, has arrived in England. Flt.-Lieut. Taylor was a prisoner in Germany for over two years.

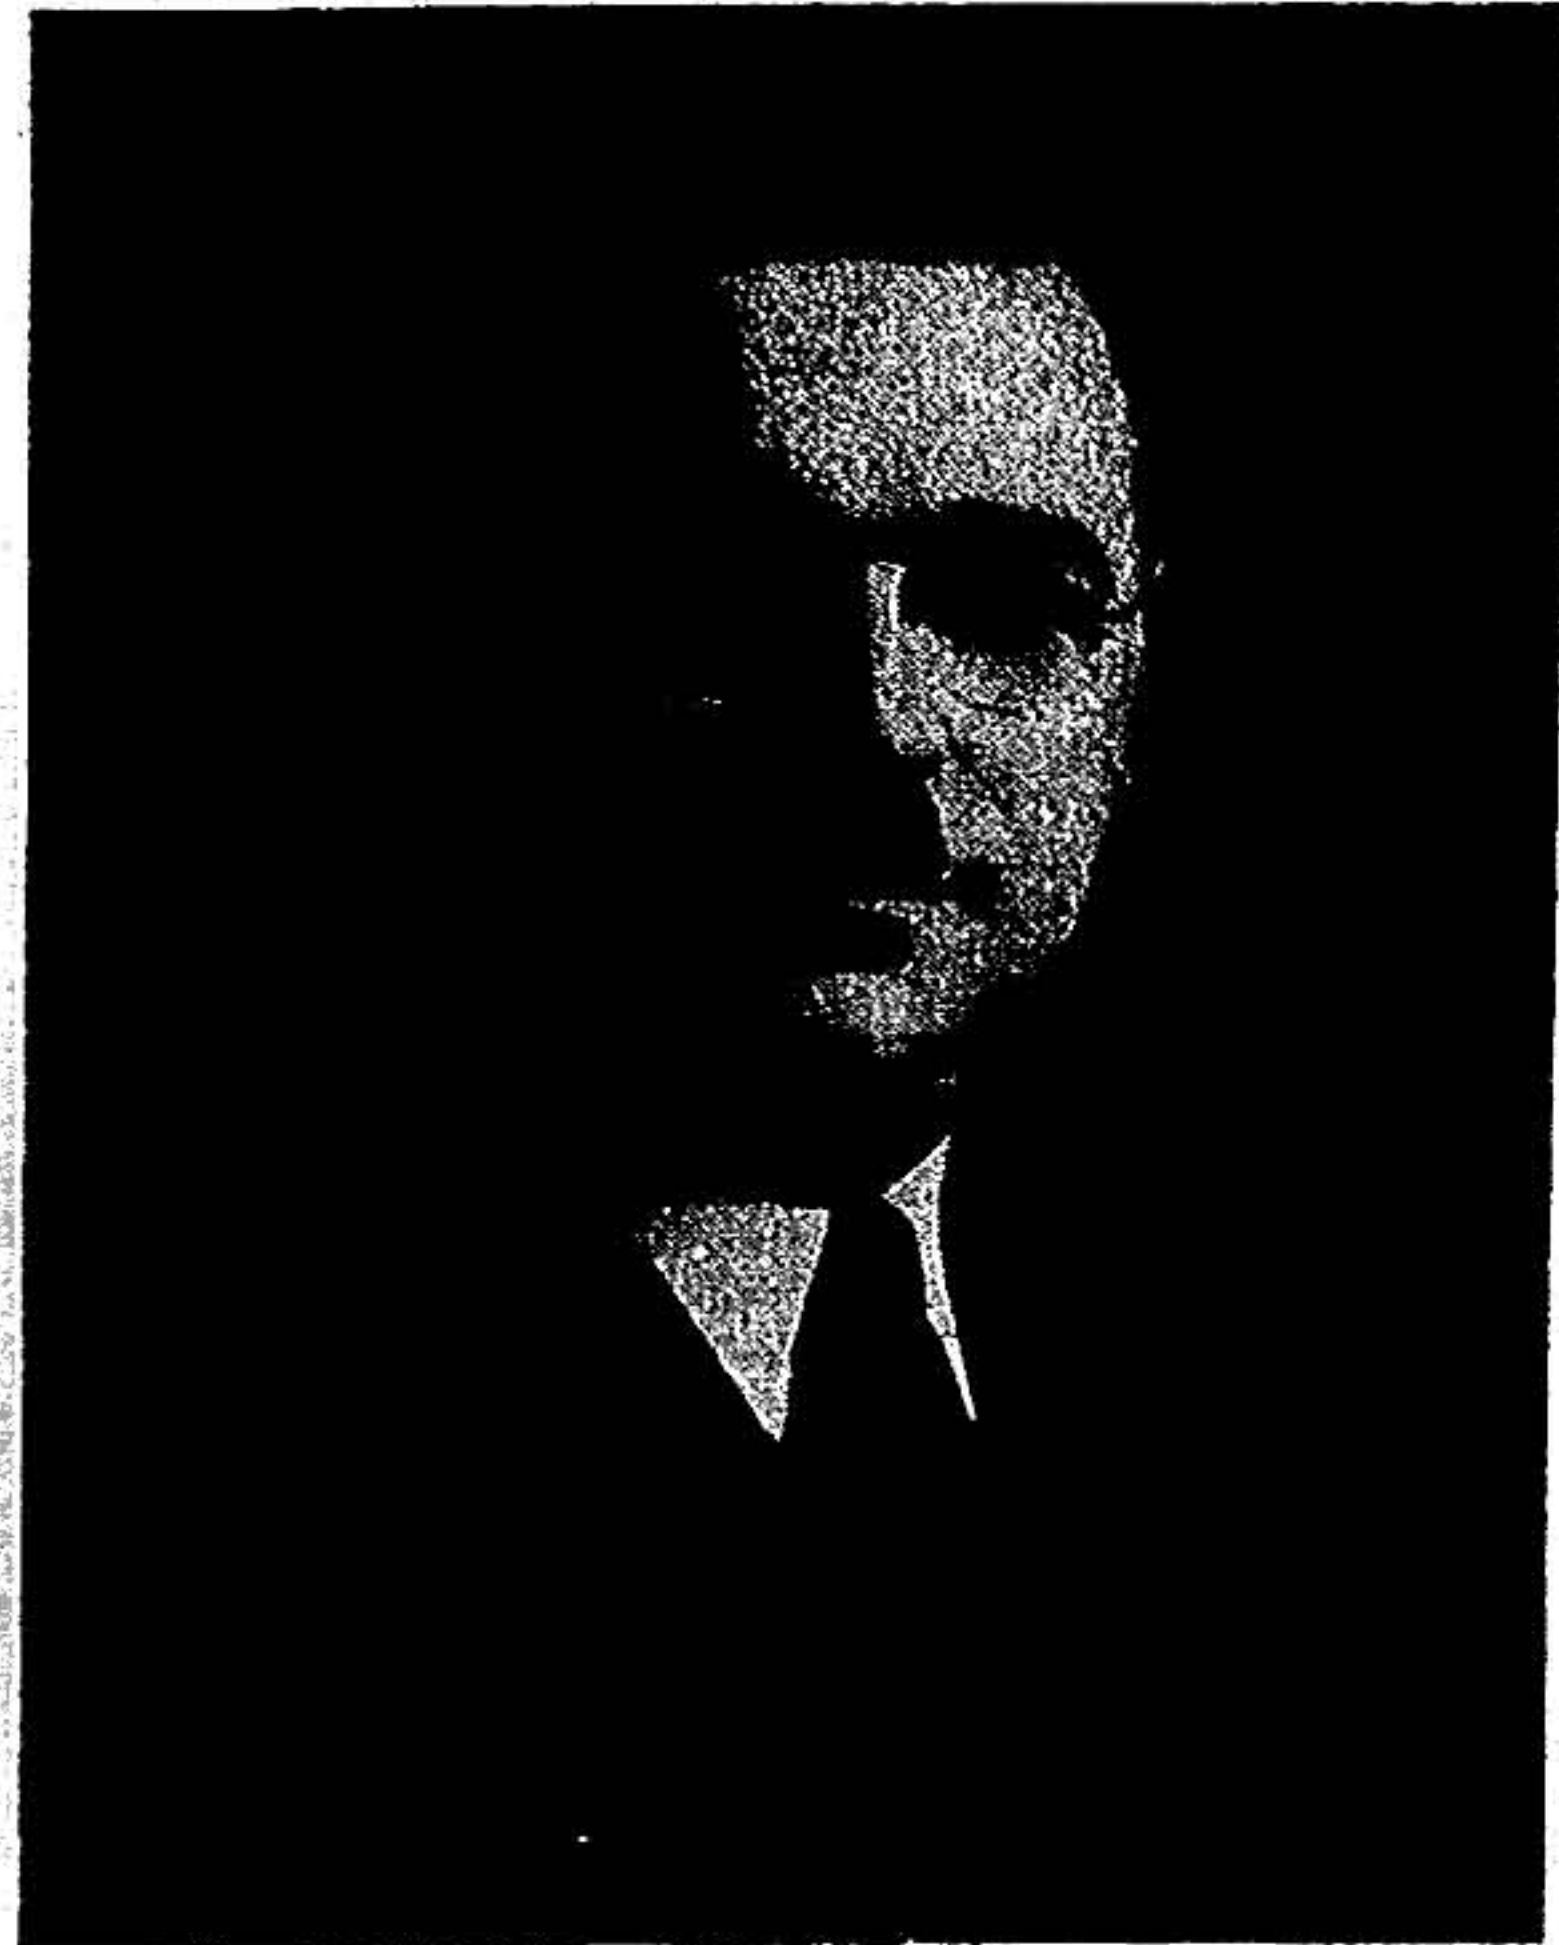

After being shot down over Berlin March 1, 1943, he was imprisoned in Stalag Luft III near Dresden. While at this camp, the bombing of Berlin could be plainly heard, and the noise was accompanied by the quivering of the barracks' walls.

The speedy Russian advance made the evacuation of Stalag Luft III necessary and the camp was divided into groups and sent to various parts of Germany. One group, of which Flt.-Lieut. Taylor was a member, was sent to Stalag IIIA at Luckenwalde.

Flt.-Lieut. Taylor was a former member of the Newmarket public school staff. His wife, formerly Arlene Smith, also of the public school staff, and their little son, reside in Willowdale.

P.O.W. SHIP DOCKS TODAY

The luxury liner, Louis Pasteur, docks at Halifax today with a passenger list made up almost entirely of repatriated prisoners of war.

Mr. and Mrs. Wm. Johnston, Toronto, spent a few days last week with Mr. and Mrs. James West.

Mr. and Mrs. Wm. Gould and Barbara and Mr. and Mrs. Oliver

Could spent Sunday in Beeton visiting Mr. and Mrs. Kenneth Gould.

Mr. and Mrs. Aubrey Doane and family spent Sunday with Mr. Doane's sister, Mrs. Douglas Woodrow, and Mr. Woodrow, Toronto.

Bob Doane of the R.C.A.F. Rivers, Man., is home on leave.

Denny Richardson, one of the stalwart supporters of Aurora hockey and softball in the 1938-41 days, writes from Germany to say he is with the first Canadian Armored Carrier Regiment, the newest unit in the Canadian army and one which played a big role in the drive from Normandy to Germany. The unit is called the "Kangaroo" regiment, its badge being the Australian animal. "Shorty" was in Peheim on V-E Day and has since been to Berlin. He sends regards to all at home.

Bradford Lions, pleased with the successful hockey seasons of the past few years, have decided to expand in the sporting world and accordingly a juvenile softball team has been entered in the Ontario Amateur Softball Association and will seek provincial honors. Ed. Tupling and Roy Russell are in charge of the team. Age limit is 18 on May 1. This is a worthwhile experiment and the Bradford men are to be congratulated on their foresight. A good team will be fielded and with the Bradford community league going full swing, many fine young players will be developed and will gain needed experience by playing against older fellows. Bradford and Fennell's are leading the six-club league with Scotch Settlement and Bond Head close behind and Mt. Pleasant and Newton-Robinson winless as yet.

Clair Exelby, who for three years was the mainstay of softball at Newmarket camp as well as "voice" No. 1 in any disputes, after a poor season last year has apparently taken on a new lease of life since being shifted to Toronto. He is wearing the mask and pad for the York Depot team in the Beaches league and according to all reports is playing sensational ball. In recent games the servicemen have indicated they are going to be real contenders, defeating the mighty Suze Turner and People's, and tying Tip Tops. Exelby has Murray Dowey and Jerry Burke among others tossing the apple to him, and these lads are really good.

Eddie King, who played hockey for navy against Newmarket last winter, Hugh Cuddie, the footballer, Bill Kelley, who starred for Toronto R.C.O.C. team against both Aurora and Newmarket soldiers, are some of the lads carrying the torch for the Combines. Teddy Morris, coach of navy's hockey team, is handling the squad.

Bill Chriss, husky defenceman with Richmond Hill juniors in the local group two years ago, and a sweet softball catcher, is the current batting leader of the Toronto Davieville circuit with a .476 mark, hard hitting in any circuit. Marvin Hunter, who used to play some sprightly short-stopping for Aurora-Schomberg-King softballers a few years ago, was married late last month to Miss Elsie Lorraine Elliott of Toronto. Marvin is farming in the King-Laskay area and still finds time for a bit of softball now and again. District softball fans will remember those great games between Newmarket Redmen headed by Alex "The Great" Webster, and all the lads against either Allandale Imperials or Barrie Aces.

In the Centre Simcoe softball league it is surprising to see so many of the oldtimers still in action, whereas practically all the Newmarket chaps are retired. Ken Gullfoyle, who in his day was one of the leading hurlers on the American continent, is still tossing them over not only for C.N.R. in the Barrie league, but for one of the teams in the Orillia circuit. Ken has lost much of his old skill, but can still baffle many of the batters. Archie and Earl Marshall, Morris Stransman, Bud Kashner, Steve and Morris Hines, Wes Perry, Fred Norris, the Miles brothers of Midhurst fame, colored Herbie Thompson, are some of the veterans or near-veterans still going strong.

Bill Bowen, 18-year-old pitcher from Langstaff, is looming up this year as one of the better pitchers in senior B class and has turned in some neat efforts for Charlie Ryan's Roselawn club. Hank McGoran, Army Armstrong, Doug Copeland and Wally Colber are some of the new faces from down south performing with the Richmond Hill clan and we must confess the names mean very little to us as yet, but we'll probably learn all about them shortly from Brother Ryan.

Congratulations to our good friend Herbie Cain, and his charming wife on the gift of a son. We warn the young gent right now he's going to have to start very early in life, and eat plenty of spinach if he's going to equal dad's record on the sports front, particularly at hockey and softball (shall we omit the mention of golf?), and we must also shake the hand of George Haskett who has momentarily forgotten all about baseball and things like that in view of the arrival of a baby girl at the Haskett menage. We can see right now where the boys at Davis Leather Co., particularly Stan Smith, are in for some highly descriptive moments as George and Herb compare notes. Smith and Peters of course will be keeping silent all the while as per usual, meanwhile puffing on the Cain and Haskett "ceegars". Never a dull moment with that quartet around.

Bill Gilkes, former Aurora high school track and basketball star, son of Ossie Gilkes of Oshawa

who used to play lacrosse with Newmarket, is in the army now and is stationed at Simcoe camp. At the same centre is that great little all-round athlete, Gar Doole of Aurora, who has volunteered for service in the Pacific and expects to go to Camp Borden soon. Sammy Jarvis, who for years was one of the moving spirits of the Aurora Horse Show and who also as a rider of jumpers and a comedy figure skater had few equals, has entered the racing game this year. As might particularly evident in the show-jumping for the first time.

be expected, Sammy is interested in the steeple-chasing event, and he has a good timber topper called Star Catcher the second. In his first start Sammy's horse just about took the Anthony Smith Memorial steeplechase worth \$1,500. Away in the lead, the Jarvis entry dumped rider Tommy Fields, and another horse went on to win the event run for the first time this year in memory of the late Capt. Tony Smith, well known Toronto-Aurora sportsman, who was killed in action two years ago.

We gave you the news about Williegit a couple of weeks ago and if you haven't been aboard the daughter of Bunty Lawless, that's your fault (mine too). At Woodbine, Norman Heise's promising two-year-old romped home in second place and paid \$19.80 for second and \$9.70 for third, nice money indeed. At Thorncliffe on a feature event for maiden two-year-olds, the Heise colors, silver and orange, flashed to the front, and the prices across the boards were \$12.55, \$4.80 and \$2.35 respectively. In purses we would imagine Mr. Heise collected something over \$500 but let us repeat once again that racing stables is no sport for anybody who is not in the chips. We estimate that it must have cost Mr. Heise close to \$2,000 to bring Williegit this far and that ain't (Continued on Page 5)

The continuation school put on a fine program of thanksgiving and remembrance on Wednesday evening. The program was prepared by the department of education. It was given at the school with the public school invited, and it was so worthwhile that it was repeated in the hall by request with the public invited and the pupils all took their part nicely, both in speaking and singing. The singing was accompanied on the piano by two pupils, Beth Theaker and Ted Cichand. The teachers, Messrs. Thompson and Harding, deserve credit for their work in getting up such a good program.

A few social numbers added to

it made a nice evening and the collection goes to the fund for entertaining the boys when they return.

Mrs. W. Weldon, Uxbridge, spent last week with Mrs. Ethel Harmon.

Mrs. Moore has returned to her home after spending the past few months in Toronto and Winnipeg.

Mrs. J. Cook and Mr. and Mrs. Young of Weston were in town on Saturday for a short visit.

Mrs. Bernard Draper and Diane and Mrs. Doris Stewart, Toronto, spent the weekend with Mr. and Mrs. W. Draper.

Mrs. Reg. Willbee received an answer last week to a letter which she had sent to Germany posted May 4 and had been received there on May 8, which

speaks highly for air mail postal service.

A number from here went to Newmarket on Friday to the blood donors' clinic.

Mrs. W. Ross has returned home for a while after spending the winter in Toronto and Oshawa.

Messrs. Bill, Murray and Frank Stokes and Dr. Lorne Stokes welcomed the guests. Mr. and Mrs. Stokes were married in Scott at the home of Mrs. Stokes' parents, Mr. and Mrs. Thos. Arnold, by Rev. A. L. MacFayden. Their family of ten children are all living, except the eldest, Lyall, who died in Belgium after the last Great War was over.

The youngest son, George, is in the R.C.A.F. at Yorkton and was unable to be at his parents' celebration. Mr. and Mrs. Stokes have spent all their lives in this community, farming for many years and later coming to the village where they were in charge of the Mount Albert telephone office from which they resigned recently.

The morning service at the United church was taken by representatives of the local lodges, Masonic, I.O.O.F. and Orange Order. Those taking part were Bert Lockie, Roy Carr, Morley Bain, Robt. Harrison and Carl Lee. Fred Cook, Bradford, past grand master of the Orange Lodge of Ontario, was the guest speaker. Those who sang were Allan Armstrong, soloist, and a trio, composed of Roy Stewart, Guy Rutledge and Bert Head. A large congregation included a number of visiting brothers from Aurora, Island Grove, Markham and Sutton.

Allan Wilson of the R.C.A.F. in British Columbia is home on furlough.

Mr. and Mrs. J. Tilley, John

and Alex, spent the weekend at their cottage at Bass Lake.

Dr. and Mrs. J. S. Duncan, Thornhill, were in the village on Sunday afternoon to call on Mr. and Mrs. Stokes.

The May meeting of the Cheerio club was held Saturday evening at the home of Mrs. Grant Ferguson with 32 present. Mrs. Cupples and Mrs. Norman Brooks were in charge of the devotional and social periods. Mrs. Rogers gave a paper on the Madonna of the Eskimos, and on the part that art is playing in the war effort.

Mr. and Mrs. Fred Cook, Bradford, were Sunday guests of Mr. and Mrs. Roy Carr.

EAST GWILLIMBURY

EDUCATIONAL MEETING IS WELL ATTENDED

A successful public educational meeting was held at Queensville public school last week. Such a large crowd attended that seating accommodation was difficult.

Chairman J. L. Smith, township clerk, opened the meeting with "O Canada" and then gave the chairman's address. The pupils of Queensville school, directed by Mrs. Milstead, sang. A National Film Board picture, "Canada's Peoples," demonstrated the tolerance of the various races of the dominion.

The guest speaker, H. E. Elborn, principal of Toronto normal school, gave the evening's address. His topic was "Education." His fine address was both inspiring and educational.

His fine sense of humor was appreciated by his listeners. John Rawlinson, secretary, read a resume of the teachers' meetings' activities. Inspector O. M. McKillop was introduced by the president, Miss Eveleen Murrell, who welcomed the parents and ratepayers to the public meeting. Mr. McKillop gave an interesting short address.

Miss I. Harper, Mrs. F. Mahoney, Lorna and Lorne Miller rendered special entertainment respectively. A film, Robinson Crusoe, was next portrayed. The finale of the meeting was a door draw, with Georgie Sedore winning the prize. The meeting ended with God Save the King.

SNOWBALL

MR. AND MRS. HAINES MAKE HOME IN SUTTON

A large crowd of neighbors and friends of Mr. and Mrs. Harry Haines gathered at the school house to honor them on Friday evening. Mr. and Mrs. Haines are leaving the community to make their home at Sutton.

Progressive euchre was enjoyed. The winners were: ladies, Mrs. John Morning; gentlemen, Gordon Boyd; spot prize, Mrs. Fennel Rothwell; travelling, Miss Annie Harrison.

An address was read by Owen Barr and a presentation, on behalf of the community, of a floor lamp, was made by Aubrey Wood. Dancing was enjoyed by all until a late hour.

Mr. and Mrs. John Jarvis, Pottageville, were Sunday guests of Mr. and Mrs. William Davison.

The W.A. and W.M.S. will hold their monthly meeting at the home of Mrs. Arthur Storey on June 6.

Mr. and Mrs. Harry Haines spent Thursday afternoon with friends in Toronto.

Mr. Stuart Mills spent Sunday afternoon with friends at Weston.

Mr. and Mrs. Roy Haines motored to Dundas on Sunday and spent the day with Mr. and Mrs. William Haines.

Pte. Russell Patrick, Camp Borden, is spending a furlough with his parents, Mr. and Mrs. Herbert Patrick.

Mrs. Frank Hollingshead spent the weekend with relatives in Toronto.

Mr. and Mrs. Albert Farren and family were Sunday supper guests with Mr. and Mrs. Herbert Patrick.

SCOTT TOWNSHIP

Pearson, assessor salary, \$140.

Council adjourned to meet on Friday evening, July 6.

MOUNT PLEASANT

Make Presentation To Mr. and Mrs. Stiles

About 70 friends and neighbors gathered at the home of Mr. and Mrs. Percy Brown on Tuesday evening, May 29, to bid farewell to Mr. and Mrs. Max Stiles, who are leaving the community and moving to Newmarket. Mr. and Mrs. Stiles have lived in the district since their marriage five years ago and both spent their childhood here. They have been faithful workers in the church and community and will be greatly missed by their many friends.

The party was a complete surprise to the young couple and they were presented with a beautiful table, candlesticks and a lovely vase and bouquet of roses made by Mrs. Brown. Lunch was served and the evening was much enjoyed by everyone.

Mr. and Mrs. Robt. Davidson spent last Friday at Scarborough Junction visiting Rev. and Mrs. D. J. Davidson.

Jack Davis of the R.C.A.F., who is home on 30 days' leave from overseas, and Miss Myrtle Stiles had Sunday supper with Mr. and Mrs. Bernard Davidson.

Mr. and Mrs. M. Ley and baby of Roche's Point spent Wednesday with Mr. and Mrs. L. Ley.

Anniversary services at Mount Pleasant church will be held Sunday, June 17, at 11 a.m. and 7.30 p.m. There will be special music by the choir. Dr. Patterson of Toronto will be in the pulpit.

The cold wet weather has delayed the farmers with much of their seeding.

KESWICK

NEW BAPTISTAL FONT DEDICATED AT KESWICK

"To the glory of God, to the upbringing of children in the Christian nurture and admonition, and in memory of Mr. and Mrs. Ira Morton" a baptismal font was dedicated at Keswick United church last Sunday morning. The font, gift of the family of these late worshippers and workers in the church, was presented by Norman Morton, Thornhill. For the session of the church, Roy J. Pollock received it and the minister, Rev. Gordon Lapp, pronounced the prayer of dedication.

Richard Morton (Rev. R. E.), Newcastle, was preacher for the day. John Morton, Toronto, formerly an elder, pronounced the benediction at the close of the morning service.

Baptism was administered to Jean Marilyn, infant daughter of Mr. and Mrs. Arthur Mitchell, Keswick, and to William Charles, son of Mr. and Mrs. William Henry Abbs, Toronto.

All United churches within the three Toronto presbyteries have been requested to withdraw services Sunday evening, June 10, and the people to join in a great rally service in Maple Leaf Gardens, Toronto, at 8 o'clock. This service is to commemorate the 20th anniversary of the union of Congregational, Presbyterian and Methodist churches in Canada. The service is open to the public and tickets may be secured from

any United church minister.

Keswick evening service will be withdrawn accordingly and a number of the people are planning to go to Toronto. Morning service will be held as usual, with Mr. Lapp in charge.

Pte. Jack Winch is home from Barriefield for a furlough. Last Saturday evening, Wm. Marritt was taken to York County hospital. He has been ill for a couple of weeks and his doctor advised hospitalization. Miss Joy Marritt spent Sunday with her father.

Rev. Gordon Lapp has been attending the sessions of Toronto conference of the United church this week.

PLEASANTVILLE

Mr. and Mrs. Leuitt, Toronto, Mr. and Mrs. Walter Haines, Sharon, and Mr. and Mrs. Stewart Stickwood, Elton and Ronald, Hope, were Sunday guests at the Stickwood and Walker home, Bogartown.

Miss Sadie McQueen had Sunday dinner at the Austin Richardson home near Aurora.

Mr. and Mrs. H. Docherty, Mount Dennis, spent the weekend at the home of Mrs. G. McClure.

Mr. and Mrs. Barber and little Donna, Malton, were Sunday guests at the home of Mr. and Mrs. Mel. Price, Bogartown.

Mrs. Alice Tucker and Miss Florence Tucker spent the weekend at their home.

Miss Erma Taylor, Toronto, was a weekend guest of her sister, Mrs. Earl Toole, Mr. Toole, and family.

Mrs. M. Sheridan and little Mary were Sunday night tea guests of Mr. and Mrs. Jack Sheridan.

The Bogartown Community club picnic is planned for June 22 at Wilcox Lake.

Miss Sadie McQueen has been re-engaged for another year as teacher at Bogartown school.

POTTAGEVILLE

Mr. Ed. O'Brien, Toronto, spent the weekend at his home here. Mr. and Mrs. Oliver Emmerson and family of Nobleton called on Mr. Emmerson's parents, Mr. and Mrs. Dan Emmerson.

Mr. and Mrs. Elias Paton and Bill, and Mr. and Mrs. Boyd Paton and son spent Saturday evening with Mr. and Mrs. David Gould.

Mr. and Mrs. Silas Groombridge called on Mrs. George Wilder on Sunday.

Mr. and Mrs. Od. Monkman, Mr. and Mrs. Del. Monkman and family and Mrs. Milton Abraham, Toronto, called on Mr. and Mrs. Elias Paton on Sunday and at their summer cottage.

Miss Hattie Cutting, Toronto, spent the weekend with her mother.

Mr. and Mrs. Charles Bunn, Newmarket, called on Mrs. Bunn's parents, Mr. and Mrs. Elias Paton on Sunday evening.

Mr. and Mrs. Fred Davis, Aurora, Mr. and Mrs. David Blackburn, Kettleby, called on Mr. and Mrs. Tom Blackburn on Sunday.

ARE PEOPLE REALLY LIVING LONGER?

It is true that more people are living to older ages than was the case at the beginning of this century. The reason however, is that great strides have been made in lowering infant mortality.

In the age group from 35 to 45, recent investigations indicate only a very slight increase in life expectancy and it is in this group that most life insurance is written.

Modern methods of treatment of such diseases as tuberculosis, cancer and pneumonia have brought encouraging results, but such gains may be largely offset by the increase in mortality through diseases of the heart and accidental death, both of which might be attributable to the tempo of modern life.

Point is given this fact by the following chart, which was discussed at the annual meeting of the Canada Life Assurance Company.

This chart is based on an analysis of the number of deaths among Canada Life policyholders in 1944.

PEERLESS PETE

PEERLESS PETE represents a drop of Peerless Motor Oil. His adventures—as seen by our artist—will take Peter all the way from the time when B.A. specially selected him from their own walls, through the famous S-point Clarkson process, up to where alloyed against wear, he does a better job in your car, truck or tractor! Watch for more adventures of Peerless Pete!

1. PETE SHOWS IT OUT

High Viscosity Distillates... remove all engine "heart ache" oil late different S.A.E. grades giving better starting in cold weather lower oil consumption in hot weather!

2. PETE GETS A SHOWER

Further testing scrub and wash out carbonaceous residues for lubrication. It is in this process that B.A. Peerless Motor Oil gets its unusually high V.I. (Viscosity Index).

3. PETE GETS CHILLED

M.S.E. De-Waxing, at sub-zero temperatures. This removes all the wax, which in our Canadian climate, may adversely affect the "pour point" of lubricating oil in cold weather.

4. PETE GETS A DENTY BATH

On Bench, Peerless Motor Oil is tested for its ability to resist oxidation, acid neutralizing capacity, and other factors.

5. PETE GETS A HUB BATH

"Alloyed" protects the molecules of Peerless against lubricating oil's natural tendency to oxidize forming harmful deposits in the engine of your car—protects against wear!

SUMMER DRIVING TOUGH ON OIL

In the summer you drive longer distances more often... put more strain on the lubricating oil in your car's engine. It will pay you this year to switch to Peerless Motor Oil! "It's Alloyed" against the effect of heat. Drive in to the sign of the big B-A and ask for Peerless Motor Oil!

HOUSING IN CANADA (or) Chaos in the King-dom!

War-time conditions have again been used as an alibi for the King Government's failure to provide adequate housing for the families of those who fought and those who toiled at home. Among many failures, the King administration must answer for the complete lack of adequate housing for thousands upon thousands of Canadians. No government which presumes to speak for the people can so callously overlook this national emergency and turn its back upon the vital needs of the people.

Every Canadian must have a home if the nation is to have a soul. The Progressive Conservative Party pledges assistance from the State with long-term, easy, low-rate loans, so that every Canadian can have a home of his own.

Back in 1942 this Party foresaw the housing crisis. For what is now a national emergency, this policy was then proclaimed:

"Believing home ownership to be a solid foundation of our social and economic system, we advocate a national long-range low-cost housing plan, including home improvement, underwritten by government, designed to make houses available on a lease-purchase basis to all families, whether urban or rural, who are in the lower income brackets."

Our progressive plans for better housing go even further than this. Of slums and slum clearance, this Party pledged in 1942:

"Slum clearance, because of its social benefits and employment possibilities, should be undertaken as a government responsibility, in order to provide housing on a minimum cost basis, for those unable to pay the full rent."

Only through the Progressive Conservative Party can all the resources of the nation be usefully brought to bear to accomplish these vital objectives. This Party is pledged to co-operate with the Provinces, the municipalities, the building trades and all other agencies to secure prompt and ample action.

hay, as the saying goes, and especially ain't hay for horses. It is a fine start, however, in the racing world for the former Newmarket-Aurora boy and his friends are well pleased about it all. If Williegiv can cop some of the better two-year-old stakes,

it may well be that Norm has a potential King's Plate winner in tow.
Speaking of the Plate, John Stuart didn't feel too badly about losing with The Sheriff, as Uttermoost is one of the greatest horses to come on the racing scene in many a moon. He lowered the Plate record that had stood since the days of Horometer. It is to

be hoped the jinx that appears to follow many of the Plate winners does not light on the Hatch horse. Horometer never ran another race, Paolita, Ten To Ace and others failed later. And last year's winner, Acara, can't seem to do much this season. In 1940 we touted Undisturbed for the King's Plate, only to find the Giddings' horse, ridden by Aur-

ora's Charlie Smith, finish second. Subsequently, Undisturbed was destroyed because of heart trouble. The gelding's heart weighed 17 pounds, whereas the average heart weight for a horse is between 10 and 12 pounds.

Rice Cake, John Stuart's good jumping prospect is just coming into its own this year. In three starts the Stuart hurdler has scored a third, second and first and all at good prices, too. Orenco, another Stuart jumper, has been sold to western interests.

What of post-war community memorials? Barrie has now contracted for an artificial ice plant at a price close to \$29,000 and it will be ready to go when fall comes around. Tillsonburg is building a new arena at a cost of \$25,000 and as an example of good community spirit, a banquet was held at which pledges to the extent of \$17,500 were made, including one of \$5,000 by the Lions club of that centre.

Western has turned over the old fair ground property, scene of

many stirring lacrosse matches of yesteryear, to the Weston Lions club. It is planned to erect a \$250,000 memorial centre there over the years. Weston, while turning out good hockey players for years, still lacks a rink, and this presumably will be included in the plans being made. The plain fact is that with V-E day already past and V-J Day looming in sight there are many communities already to go to work with definite plans.

The North York communities should not lag behind but should have definite concrete ideas of what they are going to build right now. There is nothing like settling things clearly, setting an objective and going to work to reach it. It is much easier to obtain money now than it will be in a few years hence, despite the rosy pictures of the future painted by the politicians of all parties, and those who have this idea in mind should strike while the iron is hot.

Army Service Corps, which defeated Newmarket 3-1 in an exhibition game not long ago, presented some well known hockey faces to the fans. Frank Bowman, defence star, was on the mound, Les Douglas of Detroit Red Wings was at third, Snow Wilson of Oshawa Generals played first. The service corps boys are regarded as one of the best teams in Borden and in view of the fact it was Newmarket's first game of the year, Lieut. Bob Kennedy's team didn't look too bad.

Lefty Wilson, navy's sensational goalie of last season, who after being discharged from the service has been playing baseball in Hamilton, is slated for a trial with Joe Cronin's Boston Red Sox, and while Ross may not make the grade in bigtime, it would seem certain he will hit the minor leagues. **Banky Lukaski**, who featured on the navy defence, is a pretty fair amateur ball player and is presently playing for a shoe team in the ill-luck Victory league which, like the Toronto ball club and everybody else, has been plagued with bad weather.

Frank Peppiatt, former Newmarket resident, now president of the Victory baseball league in Toronto and a member of the O.A.B.A. executive, is one of a committee of three named by the Toronto Red Cross to look after securing athletic equipment for convalescing troops and boys returning from overseas. "Father" Peppiatt is well qualified for the job and baseball is sure to be featured.

First no-hit game of the softball season is reported from Camp Borden, where "Red" Brown of the Armored Corps team tossed a seven-inning com-

WHY ALCOHOL EDUCATION

If there is any one subject upon which educators, ministers, directors in parent-teacher organizations and leaders of youth through Boy Scouts, Girl Guides and clubs of many kinds delight to emphasize and elaborate as their one outstanding aim and object for being, it is quite likely to be either health or character. Yet these leaders are usually unfamiliar with the fact that the use of alcohol in some of its many forms is the greatest single enemy to both programs.

Every student of the health problem comes upon the fact that the solution of social problems hinges on alcohol. Every noted health specialist and social worker has pointed out the relationship and spoken words of condemnation and warning. The chief physician at Olive View Sanitarium, California, a specialist in the symptoms, causes and nature of disease, says: "No other poison causes so many deaths or leads to or intensifies so many diseases, both physical and mental, as does alcohol in the various forms in which it is taken." When you recall its effects upon cell protoplasm, upon the action of the white corpuscles and upon other body protections

and the comparison of large numbers of abstainers with large numbers of so-called "moderate" drinkers, this statement is recognized as no exaggeration but the comprehensive statement of one who knows from wide experience and observation.

Many writers upon social conditions state that alcoholism is one of the four great health scourges of civilization—cancer, tuberculosis and venereal disease being the other three.

Alcoholism is the term applied to the diseased condition of the system due to excessive use of alcoholic liquors. The effects of the use of alcohol reach into almost every phase of human life, and are a contributing factor in nearly every ill that flesh is heir to. No question of social betterment can be taken up with any prospect of ultimate solution while the alcohol question remains unsolved.

FULL EMPLOYMENT AT FAIR WAGES

is
the Foundation of all True Progress

"The people of this nation are tired of the delay in correcting the weaknesses that have developed in our system . . . We must correct these obvious weaknesses in the economy we have, by rationalizing it—not by wrecking it. We must maintain the system which gives full play to individual initiative, and a fair return to all legitimate enterprise which provides employment; and the State, by just laws relating to workers, must see to it that at no time shall there fail to be provided the opportunity for a fair day's pay for a fair day's work for every one of our fellow-citizens in this Dominion who is able and willing to work."

John Bracken

We mean to see that every Canadian citizen able to work has the opportunity to work at fair pay.

- **RATIONAL REFORM**
- **MAXIMUM PRODUCTION THROUGH THE FULL DEVELOPMENT OF OUR NATURAL RESOURCES**
- **FULL EMPLOYMENT AT FAIR WAGES**

These are the pledges of the Progressive Conservative Party.

For full employment embracing all Canadians of every Province,

WE WILL:

- Help individual and co-operative enterprise to increase employment by revising crippling tax systems, by removing controls and regulations which slow down the expansion of legitimate enterprise, and by improving relationships between the Government, Labour and Management;
- Establish a National Development Board responsible for plans for full production and employment, as well

as the preservation of our natural resources;

- Increase our trade by establishing an Export Board, by aggressive salesmanship abroad, by continuation of mutual aid until no longer necessary and by provision of trade credits to economically backward countries;
- See that the powers of the Bank of Canada are used to supply ample credit for an expanding economy;
- Undertake a carefully planned programme of socially desirable projects, such as low-cost rural and urban housing, rural electrification, conservation and reforestation, the development of natural resources—all on a national basis.

These Progressive Conservative policies are carefully and confidently pointed at a practical national objective—the realization in our time of an age of plenty.

Only the Progressive Conservative Party, with its far-sighted policies for the co-operative development of every part of Canada to new heights of prosperity—a prosperity in which ALL Canadians shall share fairly and honorably—only this Party faces the challenge of the future with abiding confidence in the ultimate realization of the practical objectives embodied in its practical policies for full employment at fair wages.

Church Subscribes \$187
For Home Mission Work

The services held in the Church of the Nazarene last Sunday were of more than usual interest. Installation of officials of the church followed by communion service conducted by the pastor, Rev. L. E. Sparks, featured the morning service.

In the afternoon, Rev. Lyle Eckley, New York, was guest speaker. Rev. A. W. Gould, Toronto, radio tenor soloist, accompanied by his two young daughters, sang several hymns. Rev. R. H. Woods, district superintendent for Ontario, took charge of the afternoon service. Rev. Eckley is district superintendent for New York district

and is spending two weeks in Ontario assisting in the home mission campaign. Referring to present world conditions, he stressed the need of placing proper value where it belongs, and emphasized especially the need of spiritual awakening everywhere.

Rev. Woods gave an optimistic report relative to progress of his work in all its branches and at the close of his address made an appeal for funds for the district home mission. Following his appeal, \$187 was either given or pledged. This sum was acknowledged by Rev. Woods as a generous gift from the local church.

Only Eight In Favor Of
Plan For School Areas

About 45 ratepayers attended a public meeting at Vandorf to discuss the township school area plan. Many school sections were not represented. Inspector O. M. McKillop outlined the details. When a vote was taken by Deputy-Reeve Lorne P. Evans, 16 voted against and eight were in favor.

Inspector McKillop pointed out there were 60 school officials in the township, with 15 schools, each having three trustees and a secretary-treasurer. A board of five to be elected by the ratepayers annually might be established and bring about uniformity in equipment, purchasing and general policy he said. As the present system stands there are some schools who supply textbooks free, some schools have the services of a music supervisor and some schools do neither, he stated. It was a matter entirely for the ratepayers to decide and the department of education would not interfere, he said.

Councillor Ed Logan thought that many who might vote for the plan didn't understand the matter and that the ratepayers were not yet ready for the question.

Councillor L. J. Harper thought it would be better to poll the individual school sections and let each one decide for themselves. Getting a really representative meeting would be difficult.

Deputy-Reeve Evans said council stood ready to be guided by the wishes of the school sections, but were taking no lead in the matter although all had their own opinions.

"Although the meeting was small, in view of the opinions of those present, who were a fair cross section of the township, I don't think the plan would have carried with a bigger meeting either," a township official said. It is understood a further meeting will be held in the fall.

'Extremely Welcome',
Capt. J. S. Choppin Says

"I received a carton of cigarettes from you the day before yesterday and I must say that they are extremely welcome," writes Capt. J. S. Choppin to the Newmarket Veterans' Soldiers' Comforts fund. "Thanks to you and your remarkable organization there have been very few occasions when the boys were short of smokes."

"There are only one or two Newmarket boys with this battalion, Sgt. Fletcher who, I believe, used to work for Nesbitt Motors. There is also a Lieut. A. E. Chalkin who, I believe, came from Sharon. I received the old home town paper regularly and by this means, keep fairly well up on the local news."

"Just a few lines to thank you for your very welcome carton of fags which I received today," writes Able Seaman E. J. Mosley to the Veterans. "I imagine that you have read all about the Halifax riots. Most of the blame has been put on our branch of the service but that is because they have no use for us in this part of the country."

"Now that the war is really over, I am looking forward to the day when I shall be able to get home again and be re-united with relatives and friends from whom I have been separated for so long," writes Sgtm. A. E. Barber to the Newmarket Veterans. "Only veterans like yourselves can appreciate what a great day that will be."

WITH THE FORCES

Fit-Sgt. Alfred Bolsby, Carberry, Man., is on furlough at his home.

Pte. Garfield Doolittle, Simcoe camp, spent the weekend with his parents, Mr. and Mrs. Clarence Doolittle.

Home from overseas several months, Tpr. Bill Stephens has received his honorable discharge and is residing with his parents, Mr. and Mrs. L. W. Stephens.

Fit-Sgt. Douglas Knowles, Trenton, Ont., spent the weekend with his family.

Wyatt Saigle of the merchant marine is on leave with his parents, Mr. and Mrs. William Saigle.

Pte. Bill Gilkes, Oshawa, former Aurora boy, is now in training at Simcoe camp.

Pte. John Monk, Toronto, nephew of Lieut.-Col. and Mrs. C. R. Boulding who resided here for some years, is now in training at Orillia.

Pte. Peter Crysdale, Brantford, spent the weekend with his parents, Mr. and Mrs. J. P. Crysdale.

Lt.-Cpl. Harry Spragg, Camp Borden, spent the weekend with his parents, Mr. and Mrs. William Spragg.

Fit-Lieut. Craig McKenzie, D.F.C., has been posted to Camp Borden.

Sgt. Jim Murray, Camp Borden, spent the weekend at his home.

Cpl. A. G. Miller has returned to Halifax, N.S., after spending some days at his home in Toronto and with his parents, Mr. and Mrs. George Miller.

Lieut. William Stuart, a former Aurora boy, celebrated his sixth army birthday, all of which have been spent overseas, on June 7. Lieut. Stuart is the son of Mr. and Mrs. John Stuart, formerly of Aurora.

Mrs. Robert Hodgkinson received roses last week from her husband, Pte. Robert Hodgkinson, who has been overseas since 1942.

Home from overseas is Pilot Officer Earl Wellesley, son of Mr. and Mrs. Arthur Wellesley, King, and former student at Aurora high school. He expects to welcome to Canada shortly his bride of a few months.

HONOR GUIDE CAPTAIN

Aurora Girl Guides presented Miss Gladys Humphrys, who has been captain for the past two years, with a going-away present at a meeting held at the home of Mrs. C. R. Boulding. Miss Humphrys is returning to her home in London and will join the staff of London Central C.I.

TWO LITTLE TABS

John Reid, left, Wayne Richardson, right, are the grandchildren of Mrs. Ralph Willis, Toronto, formerly of Gormley. John is the son of Mr. and Mrs. Bruce Reid, and grandson of Mrs. John Reid, formerly of Pine Orchard. Wayne is the son of Tpr. and Mrs. Robt. Richardson, Toronto.

TWO A.H.S. TEACHERS
RESIGN FROM STAFF

Two additional resignations have been received by the Aurora high school board and applications have been sought to fill the posts on the staff. Mr. Roy Faulkner, who came here from Port McNicoll to take over the manual training department three years ago on J. C. Breckenridge joining the R.C.A.F., has accepted a position at Simcoe high school. Mr. Faulkner has been active in the affairs of the Lions club, Aurora Board of Trade, the United church, and has coached the Aurora high school hockey teams.

Chester Greenwood, who replaced Fred Harvie as science master last fall, has resigned to join the staff of Port Hope high school. Mr. Greenwood was formerly at White River, and during last term, coached the winning high school basketball teams. He has made many friends in Aurora.

TAGGERS REALIZE \$94
FOR NAVY LEAGUE

Aurora Navy League taggers under the direction of Mrs. L. C. Lee and the leaders of the First Aurora Girl Guide troop did a splendid job on Saturday and collected a total of \$94.93. Garage Owners Request
Closing Hour By-Law

Aurora town council held a brief session on Monday evening, adjourning early because of the provincial election returns. The regular accounts were passed and council, having no special or pressing business on hand, adjourned until called by the mayor for a special meeting.

A petition has been filed by Aurora garage operators requesting that council pass a by-law governing closing hours. The majority of the operators have signed for the following: Garages and service stations will close each day except Friday, Saturday and Sunday at 7 p.m. On Friday and Saturday garages

may stay open until 9 p.m. Sunday garages would be open 1-5. Council will deal with the matter at their next meeting. Meanwhile Aurora garagesmen will be represented at the Toronto meeting of garage owners.

A resolution ordering a by-law to increase rates on water connections and services outside the town was passed unanimously. Moved by Councillor A. N. Fisher and seconded by Deputy-Reeve A. A. Cook, the resolution read that the rates for domestic water services and connections be made double the rates inside the town and that a by-law to that effect be prepared for consideration at the next meeting.

BOYS' SUMMER CAMP
WILL BE JULY 2-11

Applications are being received for the North York Boys' summer camp to be held at Duques Point, Lake Simcoe, July 2 to July 11. The camp, which is now owned outright by the North York Boys' Work Board, has been completely renovated and is now one of the finest of its kind. Since last year around \$8,000 was raised to purchase and re-equip the property.

"The camp is entirely non-denominational and invitations have been sent to the boys of each Aurora church," Rev. Roy Hicks, who is on staff, said. "As only 100 boys are to go, those intending to register should do so at once. Harold Lubbock will accept Aurora registrations and these should be made right away."

Of interest to Aurorans is the announcement that \$1,000 was raised locally for the camp. Donations received included \$200 from the Sisman Shoe Company, \$500 from Collis Leather Co., \$50 from Aurora United church Sunday-school, \$100 from Aurora Lions club, \$50 from Aurora Service club (now defunct), as well as others.

Rev. Douglas Davis Stouffville, is registrar for the camp. Rev. Wilbur Howard, Toronto, will be in charge. The staff includes Rev. Gordon Lapp, Rev. C. E. Brethern, Rev. Henry Cotton, Rev. Roy Hicks and Rev. J. Brittain.

\$2,800 PAID FOR BULL
AT HOLSTEIN SALE

G. E. D. Greene, Agincourt, paid the top price for a bull of \$2,800 at the National Holstein Sale held May 30 at Brampton. This was for Springbank Ormsby Sovereign, consigned by T. R. Dent, Woodstock, and a son of the All-Canadian two-year-old bull, Montvic Rag Apple Sovereign.

E. T. Stephens, Richmond Hill, bought three daughters of "Sovereign." He secured one from T. R. Dent at \$2,350, one from Norman C. Schell, Woodstock, at \$1,175, and one from Milton J. Tamblin, Orono, at \$875. He also paid \$725 for a yearling heifer from Senator D. Raymond, Vaudreuil, Que.

Rankin C. Kellam Weston, bought three head, all two-year-olds, at \$500, \$425 and \$400. Douglas Wellesley, King, received \$1,200 from Fred H. Hubbs, Bloomfield, for a five-months-old son of his Excellent cow, Rag Apple Gladys Segis, who was Reserve Grand Champion to Eaton Hall's All-Canadian Aged Cow at the 1943 York Black and White Show and the Oakville Championship Show.

The general average of \$859 on 76 head was the best in the 26-

year history of the National and the top price was the highest at this event since 1920. Senator D. Raymond, Vaudreuil, Que., bought the two top priced animals, paying Leo Baker and Sons, Lambeth, \$4,600 for last year's All-Canadian two-year-old show heifer, Molly Pabst Romeo Abbecker, and Hays Limited, Calgary, \$3,100 for a mature cow. Top price for a bull was \$2,800 received by T. R. Dent, Woodstock, from G. E. D. Greene, Agincourt, for a four-months-old calf. Altogether 16 animals brought at least \$1,000, seven of them exceeding the \$2,000 mark. Seventy-one junior farmers, under 21 years, from all parts of Ontario, took part in the R. M. Holtby Showmanship Memorial contest, held immediately preceding the sale. The winners were: first, Lloyd Ayre, Hampton; second, George Jackson, Downsview; and third, Graham Wilson, Alliston.

MRS. JOHN GORDON, 75, DIES SUDDENLY

Mrs. John Gordon, Queensville, died suddenly on Tuesday, May 22. She had been in good health and active always.

Mrs. Gordon was born in Georgina township 75 years ago on April 8, the daughter of Richard L. Sheppard and Charlotte Amelia Eames.

Twelve years of her married life were spent in Acton, North Dakota, nine years in St. Catharines and the rest at Roche's Point and Ravenshoe.

She and her husband were members of the Union St. Christian church where she was secretary of the W.A. for 15 years. She also had a large class of Young People at Ravenshoe church for many years, also being a member of the W.A. and helping with the Red Cross.

Rev. Gordon Lapp, assisted by Rev. Hugh Shannon, conducted the funeral service at the Strasser Funeral chapel. Miss Evelyn King and Miss Marian Hamilton sang a duet. Interment was in Queensville cemetery.

She is survived by her husband, John H. Gordon, a daughter, Charlotte Amelia (Lottie), two sons, Carl Douglas and Bernard Grafton.

The pallbearers were Irving Rose, Elmar Pollard, Stanley Armstrong, Percy Pollock, Carl and Lee Glover.

Among those attending from a distance were Mrs. Bert Hughes, Montreal, Mrs. David Rowney, Welland, Mr. Gordon Richard, Mr. John Young, Mrs. W. B. Clark and Mr. and Mrs. John Cowieson, all of Toronto.

attend are kindly requested to provide for their own lunch.

Mrs. Selby Fairbairn is laid up for a while from a recent fall. Sheep-shearing is pretty well done in this district for this season.

QUINNSVILLE COUPLE CELEBRATES 25TH ANNIVERSARY

Mr. and Mrs. J. L. Smith celebrated their 25th wedding anniversary last Saturday by a motor trip to Buffalo. They were accompanied by Mr. and Mrs. Wilford Cole.

A number of friends of Mr. and Mrs. J. L. Smith met at the home of Mr. and Mrs. Wilbur Dew on Tuesday evening of last week and presented them with gifts of silverware on the occasion of their silver wedding anniversary. They have also been the recipients of many other gifts.

On Wednesday evening of last week a large crowd gathered at Queensville school to attend the first open meeting of the Teachers' Group of East Gwillimbury. A very fine program was presented. J. L. Smith very ably acted as chairman. The guest speaker was H. E. Elborn, principal of Toronto normal school. Mr. Elborn spoke in his usual interesting manner on Education of Today. Inspector McKillop of Richmond Hill spoke briefly, and especially commented on the ingenuity of the teachers in arranging such a meeting. A pleasant feature of the evening was the showing of the sound films on the historical progress of Canada, The Seven Dwarfs and Robinson Crusoe. It is hoped that other meetings of this nature will be arranged for the future.

Miss Olive Sewerby, Toronto, and Miss Wilder, Keswick, were guests of Mr. and Mrs. Silas Sennett last Sunday.

Mrs. Bruels, Sutton West, spent last Thursday with her sister, Mrs. S. Sennett.

Mr. and Mrs. Lew. Irwin visited friends in Bowmanville last Sunday.

BETHEL

This has been a great spring to get odd jobs done on the farm.

Robt. Johnston's barn at Baldwin is sporting a new roof. Chas. Richardson has erected a new brood house.

Flt.-Sgt. Jack Davis has returned from overseas and is at present visiting friends at Sutton.

Flt.-Lieut. Hugh Pritchard, Toronto, who recently returned from Ceylon, took the services for his father, Dr. H. J. Pritchard. His text at Bethel was from Romans, Chap. 1, vs. 16, "For I am not ashamed of the Gospel of Christ." Flt.-Lieut. Pritchard hopes to get his discharge soon and plans to take up his final year at Emmanuel College.

Mrs. A. Selby is still confined to Toronto Western hospital.

Mrs. Tom Graham, Jr., who underwent a serious operation at Toronto General hospital, is reported to be progressing favorably.

Mrs. John Gordon of Ravenshoe died suddenly last week. She was a loving wife, a good mother and a kind neighbor. Mrs. Gordon was loved by all, and the lovely flowers showed the esteem in which she was held. The funeral took place Thursday at the Strasser Funeral Home in Queensville. Rev. Gordon Lapp, Keswick, assisted by Rev. Hugh Shannon, Queensville, conducted the service.

Mr. and Mrs. J. A. Fisher, Camlachie, Ont., are spending a few days with Mrs. Fisher's brother-in-law and sister, Mr. and Mrs. L. W. Richardson.

Mr. L. W. Richardson received word that his brother, Dr. Elmer Richardson, Oshawa, is seriously ill.

On going to the barn Monday morning, C. Cryderman was surprised to find his beautiful Queen Marie had presented him with a little princess.

'Sectionalism Must Be Ended'

THE OTTAWA JOURNAL, MAY 17th

No one will accuse John Bracken of talking from both sides of his mouth at the same time. In Ottawa on Tuesday night (May 15) he declared that "sectionalism" must be ended, and went on to say:

"Every one, regardless of racial origin, must be regarded as a Canadian, sharing equally the rights and obligations of citizenship both in peace and war." Earlier on the same day, Mr. Bracken, speaking to Progressive Conservative candidates in Quebec who met him in Montreal, said:

"Tell them the nation will expect from them all to be Canadians after June 11: tell them each of us will be equal in Canada—equal in the rights we enjoy and equal in the responsibilities we share."

"Tell them their constitutional rights of religion and language and civil code will be scrupulously respected: tell them they will be denied no rights enjoyed by other Canadians."

"Tell them the nation will expect from them no more, either in peace or war, than it expects from others—but that it will expect as much."

"Tell them we mean to preserve Confederation: tell them it can be preserved on a basis of equal rights for all and equal responsibilities for all, in time of war as well as in time of peace."

"Tell them that on the basis of such a policy they can face the world and the future and their children's future with confidence and without fear; and that there is no other just way by which the objective of orderly progress for us all in Canada can be achieved."

What bitterness, strife, misunderstanding and distrust might have been saved in this country if more leaders of our political parties had spoken thus honestly during the past 25 years! Instead of appeal to Quebec's Canadianism and self-respect, to her sane and moderate elements, there was catering to her baser elements, appeasement of her extremists, crucifixion of those sane French-Canadians who realized that Quebec's place was by the side of the other provinces in equality of rights and responsibilities.

Worse, there was failure among English Canadians to punish those among them who, to prosper their political fortunes, appealed basely to Quebec. It was politically expedient to mislead and deceive Quebec, to preach disunity, or, what was more reprehensible, a unity that was false; and so we had the spectacle of English-speaking Canada placing a premium on racial appeals to Quebec by support of the political party which, more than any other, made such things its stock-in-trade. To set an overall majority in all of Canada through a "solid bloc" in Quebec was good party business.

Mr. Bracken's rejection of such discreditable tactics, his straight, honest talk to Quebec comes like a breath of fresh air. For that talk alone, for what it tells of his integrity as a man, he deserves the support of the country.

Compare this with the muddling and double talk of Mr. Mackenzie King. Consider the confusion and disunity created by Mr. King. When pressed for a forthright manpower policy, he said he would have a plebiscite to determine the wishes of the people. The plebiscite cost the people of Canada a tremendous sum. Every province but Quebec voted "yes," but Mr. King ignored the wishes of the people (except in Quebec) and said "No."

During his regime he appointed a Defence Minister and a Commanding Officer overseas. When the Commanding Officer (Gen. McNaughton) failed to fit into the overseas picture he was let out. Following disclosures by Major Smythe and Colonel Drew, the Defence Minister was sent overseas and when he returned with constructive recommendations, he was let out and the Commanding Officer who had previously been let out was installed in the position of Minister of Defence. When the people of North Grey voted against McNaughton, Mr. King continued to ignore the wishes of the people. He insisted on keeping a "yes man" in this highly important post.

Mr. King gave the people nothing constructive before the war and permitted pitiful conditions to exist among the labouring class and the unemployed.

These are just a few of the many cases which could be mentioned to show the manner in which Mr. King has ignored the wishes of the people of Canada. He has been in power for so long that he has pretty well absorbed the old Liberal party and does just about as he, as an individual selfish politician, pleases. Under a Progressive Conservative Government, the newest and necessary conditions (disunity, confusion, unemployment, bread lines and the blocking of the people's wishes) will be done away with and in their place we will have social security, prosperity, full time employment and freedom of action.

Why We Must Vote!

Our right to vote is one of our most precious possessions. The people of Socialist countries lost their right to a free press, freedom of speech and freedom of worship. They lost their right to work where they might like to work; they lost their right to change jobs; Labor lost its right to bargain collectively; (Who is silly enough to think he can bargain with a Socialist boss.) Actually, those people lost all their rights and freedom of action... and they thus lost their right to a change in government, without a war.

THE C.C.F. and HITLER

Occasionally some misled person is heard to say that the heads of the C.C.F. do not think along the lines of the late Socialist Germany. In the first place, who are the heads of the C.C.F.? Could it be that Coldwell is an innocent figurehead? Certainly one of the heads is a man who came from Russia twenty odd years ago and, with his name changed to David Lewis, is now proceeding to tell us how to run our country. He is co-author of a book "Make this your Canada." Consider the writer and consider the book. Could anything be more ridiculous? "Mein Kampf" or "Mine Canada" would have been a more appropriate title. Imagine these political upstarts and their inexperienced "planners" running our stores, our farms, our mines, our factories, our transportation systems, our churches and, in fact, our way of living!

You don't think they would? That is what they want you to think, but here is the evidence. Turn to page 545 of the House of Commons Debates, 1940, and read what Mr. Coldwell, present National Leader of the C.C.F. said:

"Many of us are realizing for the first time today that the secret of the recent success of the Germans is the fact that they consciously planned their economic structure."

Wonderful, isn't it!

In "Co-operation or Catastrophe" — William Irvine (C.C.F.): "We do not believe in the so-called rights of private property, nor shall we recognize either precedent or practice in connection therewith."

This applies to farmers, home owners, newspaper or publishing firms and all property owners.

THE GERMAN SYSTEM AGAIN ADMIRER BY MR. COLDWELL

Speaking of the German system and of Communism, in House of Commons, in March, 1942, M. J. Coldwell said:

"The basis (of both) was the control of the economic resources and Labor of those nations... they did a remarkable job..."

Note the Control of Labor statement

FARMERS PLEASE NOTE:

"Ultimately farmers could stay on their farms as long as they wished but they could not will the property on their death to anyone else... Capitalists were a common group of exploiters. He would take their leaders and dump them in the lake"... B. E. Leavens, C.C.F., M.P.P. for Woodbine, Ont., from his speech at Orillia, Ontario, October 22nd, 1943, as reported in the Orillia Packet & Times.

(Meantime, the C.C.F. in Saskatchewan have already passed legislation which permits taking away the farms, the stores, the businesses and industries of present owners.)

Just in case there should be any doubt about the matter, the Calgary Herald, Nov. 10, 1943, reports Mr. Winch's speech:

"... It's TIME WE HAD A REVOLUTION." During

the question period he (Mr. Winch) told a member of the audience that "a change is coming, PEACEFULLY OR NOT"... Asked about the position of the POLICE AND MILITARY FORCES in the event of moves for a change, Mr. Winch replied that when "WE BECOME THE GOVERNMENT WE WILL INSTITUTE SOCIALISM IMMEDIATELY AND WOULD USE THE POWER OF THE POLICE AND THE MILITARY FORCES TO FORCE THOSE OPPOSED TO OBEY THE LAW. Those who defied the government's will WOULD BE TREATED AS CRIMINALS, he declared, adding: "IF CAPITALISM SAYS 'NO,' THEN WE KNOW THE ANSWER... SO DID RUSSIA." He told another questioner that "WE'RE GOING TO SCRAP THE B.N.A. ACT..."

What about our Savings... the money we have deposited with our banks. Read this:

"There seems to be no reason, for example, why interest should be paid upon deposits at present... nor can we see much likelihood of circumstances arising under a Socially planned economy in which it would be desirable to pay interest upon deposits..." Social Planning for Canada, page 307.

When the C.C.F. takes over an industry or Company, what about the few securities which we may have saved for and purchased throughout our lifetime? From "What is the Answer of the C.C.F.?" issued by B.C., C.C.F. Federal Campaign Committee, we get the answer:

"There would be some form of compensation. This could be awarded by means of non-interest bearing bonds..." Scraps of paper for good securities!

What about our Victory Bonds and War Savings Certificates? Mr. Coldwell in the House of Commons, Jan. 1942, gave the answer:

"The present loan policy should be replaced by one of compulsory interest free loans."

What about people who, from their Savings, have purchased a small building in a business section, or a farm, or a rooming house, or a garage site, or a parking lot, or have invested hard earned money in anything with a view to building up a form of security and income. Here is the answer from their "Social Planning for Canada," page 283:

"Interest on capital and rent on land should be maintained in socialized production as a necessary accounting device, but they will no longer accrue to private individuals as income."

Who will work for the recent arrival from Russia, the man with the changed name, and his socialist partners? In "Democracy Needs Socialism" they give the answer:

"They would have to be men who were loyal to the Socialist ideals of the Government, otherwise they might use their positions of power to sabotage the plan."

These are the answers by the spokesmen of the C.C.F. Briefly, to secure the type of security offered by the C.C.F., it is only necessary to throw a brick through a store window. You will then get a room, a bunk to sleep on, three meals and a guard to watch over you and "instruct" you as to what you may or may not do.

WHEN ANY OF THOSE OPPOSED TO THE C.C.F. FAIL TO VOTE, IT IS AS GOOD AS A VOTE FOR THE C.C.F. IT IS THEREFORE THE ABSOLUTE DUTY OF EVERY CITIZEN TO VOTE ON JUNE 11TH IN ORDER THAT WE MAY ASSURE AN OVERWHELMING DEFEAT OF THIS SOCIALIST THREAT TO OUR FREEDOM!

61ST ANNIVERSARY

Mr. and Mrs. George Milligan, Holland Landing, celebrated their 61st wedding anniversary on June 6. The occasion was also Mr. Milligan's 90th birthday.

Mr. Milligan's parents came from Ireland to Canada and settled at Port Hope where he was born. At the age of 14, he and his parents moved to Bradford and at 16 he was employed, along with his father, in a sawmill. During the winter months he went to the lumber camps in the north. When the rivers broke up in the spring he drove logs down the rivers to Lake Simcoe where they were put in booms and tugged across the lake

to the mill at Bradford. He was engaged in the same sawmill for 45 years.

Mr. Milligan and Eliza Mary Wise, also of Bradford, were married 61 years ago and raised a family of 11 children. They moved to Holland Landing 37 years ago. Mr. Milligan spends most of his time working in his garden of about half an acre. For pastime during the winter months he is an ardent fan of wrestling and hockey heard on his radio. He is especially interested in the games played by the Leafs.

When asked how he keeps so active he maintains that hard work never killed anyone.

Veterans' Gum, Cigarets Boon For Sgt. F. C. Evans

"Many thanks for the carton of gum," Cpl. Harold Evans writes the Newmarket Veterans' Soldiers' Comforts fund. "It arrived just in time for Fred and I to take with us on leave together and we sure had a fine time. It's been a long time since we were together so we made up for lost time. He is quite well in spite of his experiences which have been varied. Again many thanks for your kindness, it sure helped our leave."

Another card from Cpl. Evans thanks the Veterans for cigarettes. "They arrived on V-E Day so really helped in the celebrations," he says. "Fred, just back from Stalag 357, really enjoyed them and he hasn't seen many now for some time. We had a swell leave together only it rained, hailed and snowed for the first few days but this week it's much warmer."

"Now that the war is over in Europe let's hope we will all be home shortly so we can all get together and thank you all in person for the fine things you people back home have done for us," S.P.A. Alfred Smith writes in a card of appreciation.

"At last—the day of days, V-E Day," writes Coder Bruce Gould. "It won't be long now till we are all home to good old Newmarket again. Then we'll be able to thank you all personally for everything."

"You have heard the good news by now and we are looking forward to our home coming now our job in Europe is finished," Pte. Verne Mosier writes the Veterans. "I am getting over my wound nicely but am still under medical care. No doubt the home town has changed since we left it."

"You have done all the servicemen a big favor in this war and I hope that soon we shall be home to thank you personally," LAC Harry Osborne writes the Veterans. "At present I'm in a command where to us the war is still on, as things haven't slackened off a bit. I believe that a week or so will see a change however. Then I suppose we'll have the long wait for the ride home. I expect it will be at least a year in my case, but we can't all be lucky."

Cards expressing appreciation to the Veterans and the hope that they will be home soon were received from Tpr. D. D. Neufeld, Andy Cullen, G. D. Tomlinson, C.S.M. Bruce Andrews, Capt. G. A. Charlton, Cpl. T. B. Legge, Flt.-Sgt. E. Burke, Jack Giles, Lieut. T. R. Hilliard, Sgt. Ted Robinson, Lieut. N./S. Florence Chantler, LAC W. S. Janes, Tpr. Ross S. McClymont, Capt. H. F. Eaton, Pte. C. Gordon, Sgmn. C. C. Barker, and A.B. Herbert Leppard.

The normal lung breathes an average of 28,000 times a day. At rest, it breathes about half that number. That is why rest is the chief cure for tuberculosis.

During the early days of Canadian fisheries, Nova Scotia was first among the provinces. This rank is now held by British Columbia, which produces 50.7 per cent of the country's total crop.

WINS HONORS

W. I. McElwain, minister of St. Andrew's Presbyterian church, won second class honors in his exams. He was writing his third year exams in a pre-theological course at the University of Toronto.

V-E DAY GIVES NEW HEART - LAC WILLIS

"To one and all my sincere thanks for yet another carton of cigarettes," writes LAC L. R. Willis to the Newmarket Veterans' Soldiers' Comforts fund. "Without the sustaining thoughts of loved ones at home, and the many kind acts of our friends and associates, life would be pretty empty for all of us over here. Not only do your comforts give us many hours of enjoyment, but they serve as a constant reminder of all we are fighting to defend."

"Most of us are walking around in more or less of a daze. So much of great importance has occurred during these past short weeks, that one simply cannot keep abreast of things. We over here did not go through a premature V-E Day celebration, and there is still that terrific air of expectancy. To say the news is good would be putting it very mildly."

"Although V-E Day definitely will not mean peace, it will give us new heart and courage to carry on until all our enemies are defeated. Japan has not, as yet, felt the full brunt of Allied justice, and yet the Japanese are showing signs of disintegration. At the same time one would do well not to become over optimistic."

"It was a shame, that after fighting through the hardest part of the Italian campaign, our boys were not able to be in at the finish. Still, the glory is still theirs as much as anyone else's. (That is if one can speak of glory in war.)"

"Within the next year Canada's rehabilitation machinery may be put to its stiffest test and it is to be hoped it will stand up as well under pressure as it has to date. We are depending on it a great deal and consequently, failure would be disastrous."

"I am hoping to go on leave the later part of this month. It will be nice to see what London looks like at night now that the blackout has been lifted. I am hoping to visit Dundee as well as London, so I am looking forward to a very nice time."

Well, friends, that just about covers all the news and views I have at the moment. Once again thank you for your kindness. Here's hoping we shall be all seeing you real soon."

Rural Presbytery Holds Annual Spring Convention

The annual spring convention of Toronto East Rural Presbytery was held at Stouffville in the form of a banquet on May 16. The president, Mona Armstrong of Zephyr, was in charge and welcomed the group on behalf of the presbytery executive. Rev. D. Davis brought a message of welcome from Stouffville church and Stanley Smith from the Stouffville Y.P.U. Walter Reesor of Cedar Grove expressed the greetings of Toronto conference executive. Margaret Smith, president of conference, wired her good wishes to be read at the convention. Harvey Blackburn of Ashworth thanked the ladies who had provided the supper and the Stouffville church board for the use of the church.

Rev. Mr. Davis of Stouffville led a short sing song. A short skit was presented telling of the various presbytery activities, the Sparrow Lake camp, rally at Mount Albert in October, rally at Unionville in November, skating parties at Unionville and at Uxbridge in January, weekend advance at Uxbridge.

The following reports were read and adopted: 1944 convention at Goodwood, VI Oldham; treasurer's report, Frank Dimma; publications, George Hull; missions project, Ed Israel; nominating committee, Stan Taylor.

Sixteen unions answered the roll call. The total attendance was 135. Mrs. McCormack of Unionville sang three numbers—a Russian song, a gay Scotch number and Boek's O Saviour Sweet. Mona Armstrong introduced the guest speaker, Mrs. Gordon Agnew of West China. Dr. Gordon Agnew is a dental missionary in west China, supported by Toronto Conference young people. East Rural presby-

RED CROSS SHIPMENT

tery has a share in this work. Mrs. Agnew had a stirring message. She presented to the convention a very vivid picture of China and China's troubles. Her remarks were dynamic and will long be remembered. Isabel Muirson moved a vote of thanks to Mrs. Agnew.

Mr. Chapin, minister at Melville, Bethesda and Peaches, conducted the installation service. The new executive is as follows: pres., Mona Armstrong, Zephyr; vice-pres., Walter Reesor, Cedar Grove; sec., VI Oldham, Mount Albert; cor. sec., Eulah Brillinger, Stouffville; treas., Frank Dimma, Cedar Grove; leadership training, Millie Hull, Highland Creek;

Convenors: fellowship, Stan Taylor, Udonia, and Olive Israel, Highland Creek; citizenship, Morley Harman, Ashworth, and Evelyn Madden, Dunbarton; missions, Kathleen Webster, Udonia and Isabel Muirson, Cedar Grove; culture, Stewart Watson, Agincourt, and Alice Tindall, Goodwood; recreation, Jean Hall, Uxbridge; Walter Reesor, Cedar Grove; publications, George Hull and Ed Israel, Highland Creek; members at large, Myrtle Hammill, Cedar Grove, Gwen Skidmore, Dunbarton.

The convention closed with the hymn O Jesus I Have Promised and the Mizpah benediction.

ARRIVAL OF OFFICER FRIGHTENS THIEVES

Last Wednesday evening thieves attempted to open the safe in the Canadian National Railway station on Huron St., but the arrival of Constable Fred Obee, the new night patrol officer who was making his rounds, frightened them away. Upon investigation it was found that the thieves had broken into the waiting room of the station and smashed the window at the wicket. They had taken the molding from around the safe and attempted to open the door before being frightened away. Police reported that nothing had been stolen.

56 Boys, 46 Girls Enter Achievement Day, Stock Contests

A PRETTY MISS

The lovely little lady pictured above is Phyllis Rosina Gibson, daughter of Mr. and Mrs. Cecil Gibson, Newmarket, and a granddaughter of Mr. and Mrs. Jas. Newton, King. She is two years old. Photo by Budd.

Enthusiastic and spirited competition and greatly increased enrolment were features in both the girls and boys' sections of the Annual York County Junior Farmer Livestock Judging Contest and Girls' Achievement Day held at Richmond Hill last Thursday. With one exception, the six local Junior Farmer clubs were represented, making a total entry of 56 boys and 46 girls. The coaching work of experienced and energetic junior farmer leaders in each local club was particularly evident.

Chas. Haines of Newmarket, president of the York County Junior Farmers, acted as chairman for the large banquet in the evening. A sing-song led by W. M. Cockburn, Agricultural Representative for York county, preceded the announcing of the awards by Miss Lulu Row, Home Economics coach for York and J. D. Moore, Assistant Agricultural Representative from Newmarket.

Miss Mary Laviolette of Pefferlaw won the girls' senior award for her progress in community leadership and dress-making. The Eckardt Memorial Trophy was won by Lois Graham of Highland Creek.

Gordon Orr of Maple won the Hon. Geo. S. Henry Shield as high senior man. His brother, Alan, was high junior boy and won the Geo. B. Little Shield as well as one of the two pure-bred Yorkshire Gills donated by the Canada Packers. The other was awarded to Don Pearson of Agincourt, as coach of the winning junior team which consisted of Bill Preston, Walter Third and Roy Preston, all of Agincourt.

The inter-township team award was presented to the Vaughan township team consisting of Gordon and Allan Orr of Maple and Carman Livingston of Woodbridge.

To the high standing boy in each class in the junior competition the following challenge trophies were presented: horses, E. T. Stephens and Jas. McLearn Trophy, Milton Savage, Richmond Hill; beef, John Gardhouse Trophy, Ewart Jennings, King; dairy, Gordon Duncan Trophy, Jack Wauchope, Kettleby; sheep, D. W. Baxter Trophy, Russell Livingston, Todmorden; swine, Boynton Bros. Trophy, Royden Preston, Agincourt.

The free trips to the boys' and girls' conference at Chicago about Dec. 1 for the high standing in the two competitions were awarded to Gordon Orr of Maple and Mary Laviolette of Pefferlaw.

One of the chief attractions at the Richmond Hill fair on May 24 was the excellent Jersey show staged by the York County Jersey Breeders' club. The entry consisted of 106 high quality Jerseys, an increase of 18 head over last year's show. Enthusiastic comments from the large-ringside audience indicated that a number of the entries were above the average of the C.N.E. classes. The judge, Prof. A. D. Runions of the O.A.C., Guelph, was delighted with the quality of the entries. This was his first appearance at the Richmond Hill show and his decisions throughout the entire afternoon proved very pleasing to the audience and highly satisfactory to the exhibitors.

Don Head Farmers Ltd. of Richmond Hill showed the senior and grand champion bull on Don Head Royal Basileus. They also won the graded herd class. Alfred Bogg & Sons of Edgeley carried off nine first prize awards. They won junior and reserve grand champion bull on their junior yearling, Edgeley Basil Champion, junior and reserve junior champion female, first junior and senior get of sire and first prize junior herd.

C. J. Fox of York Mills, a new breeder and purchaser of 18 head at the York County Jersey Sale last fall, won senior and grand champion female with his first prize mature cow in milk, Rock-alda Volunteer Vivian. In addition he won reserve senior and reserve grand champion with her half sister Lindale Basileus 2nd, first prize two-year-old in milk. These two combined to make a very outstanding first prize entry in the progeny of dam class.

To encourage new exhibitors prizes were given on a point basis for those who had not previously shown. C. J. Fox of York Mills won first with 77 points; C. Burr and Sons of Boltonville, 37 points; Maplewood Farms of Maple, 18 points; A. G. Little of Markham, 17 points; H. F. Dunham of Newmarket, 17 points; E. A. Weir of Milliken, 15 points; St. Michael's College of Aurora and W. J. Kingdon of Unionville, eight points each.

ROSS MARCHANT DIES AFTER SHORT ILLNESS

The communities of Schomberg and Kettleby were shocked and saddened by the sudden death of Richard Ross Marchant, a well-known young King township farmer of the Schomberg district.

Ill but a few hours, he died in St. Michael's hospital, Toronto early Thursday morning, May 17, as a result of a cerebral hemorrhage in his 39th year.

Mr. Marchant was a member of St. Mary Magdalene church, Schomberg, and also a member of the choir. At the time of his death he was a trustee of school section No. 17, and had served as a director for a number of years in the King and Vaughan Plowmen's Association. He was a graduate of Newmarket high school.

The funeral service was held on Saturday afternoon, May 19, at St. Mary Magdalene church, Schomberg, and was conducted by the rector, Rev. F. V. Abbott, assisted by two former rectors, Rev. Mr. McCallum and Rev. Mr. Colclough.

Surviving are his widow, the former Bethel Geraldine Black of Kettleby; two sons, Kenneth and Bruce; one daughter, Lois; his parents, Mr. and Mrs. William Marchant, Schomberg; and one sister, Mrs. Bernard Sutton, (Margaret), Sudbury.

Pallbearers were neighbors, Walter McLean, Harold Lepard, Clifford Pendleton, Orville Sloan, Arnold Adair and Wilfred Watson.

Joseph E. Pollock Was Last Member Of Family

Joseph Ellis Pollock died at the home of his daughter, Mrs. A. B. Currey, Gore Bay, Manitoulin Island, on May 16 after an illness of two and a half years.

Joseph Ellis Pollock, born July 7, 1853, in North Gwillimbury, was the fourth son of the late James Ellis Pollock and Catherine Brecken, who were one of the original pioneer families of North Gwillimbury.

Mr. Pollock was the last surviving member of a family of six brothers and one sister. His father, James Ellis Pollock, was born in Nova Scotia in 1811. In 1827 they came to Toronto, then Muddy York, and settled at Richmond Hill.

Mr. Pollock was a resident of Keswick until seven years ago, when he made his home with his daughter at Gore Bay. He was a member of Keswick Christian church. His wife, the former Linda Frances Crittenden, died on Aug. 30, 1938. They were married on November 22, 1882.

Mr. Pollock was a retired farmer and was chiefly interested in current events. He was a great reader.

Surviving are one son, Ernest Milton Pollock, Sutton West, and one daughter, Dorothy Agnes (Mrs. Currey), four grandchildren and three great grandchildren.

Rev. C. E. Fockler of Maple conducted the funeral service in Queensville on May 19. Interment was made in Queensville cemetery.

The pallbearers were Percy Pollock, Freeman, Lloyd, Ross and Carson Pollock and Raymond York.

Across Canada, hundreds of thousands of men and women have kept faith with those who fight... stuck to the job at hand... kept factories operating... produced a staggering quantity of vital war equipment.

To reach their work has involved miles of walking, long waits for overcrowded transportation, the discomfort of rain, sharp winds and bitter cold. For many, the result has been a heart-felt determination "to some day own a General Motors car."

Some day you will have an opportunity to own a General Motors car. When Victory is final and complete, General Motors will swing from the all-out task of producing military vehicles and weapons of war, to the production of more and better cars for more people—cars that will take you speedily, comfortably, and safely to your post-war jobs—and to your post-war pleasures!

Party Is Democratic, C.C.F. Candidate Says

The C.C.F. is a democratic organization and the program of the party is prepared by the membership at national and provincial conventions, Major A. H. Woods, C.C.F. federal candidate said at a meeting in Richmond Hill on Monday night. The leaders of the party do not issue their own personal program or policies, he stated.

Major Woods spoke on the C.C.F. proposals to undertake a large scale public housing program; to establish health centres where highly trained staffs and the most modern equipment would be available to all, and to introduce legislation to ensure to the farmer a fair share of the national income. He expressed the opinion that the weekly newspapers in the riding should give

CANADIAN BEAUTIES

History tells us of the beautiful women of many ages and many lands who made or changed the fate of empires—Helen of Troy, Cleopatra, Jezebel, Madame Pompadour and others too numerous to catalogue here.

And although most Canadian women are a credit to their country in appearance and dress, I have never heard of any beautiful enough to change the course of our history.

However, it is of another kind of Canadian beauties that I am thinking. They live and grow among us, and yet, unless we love and seek for them, we never even glimpse them.

Not long ago, Mrs. Frank Williams invited me to go with her to hear a talk on Canadian flowers and birds, to be given in Aurora by Mrs. Proctor of Toronto.

As anyone who reads this column can imagine, I went with joy. At the United church we were met by Mrs. Bilbrough, president of the W.M.S., under whose auspices the talk was being given, and we enjoyed the meeting which preceded it. All meetings have an atmosphere, and on that depends a great deal of what one gets out of them.

The atmosphere here was friendly, the devotional part taken by Mrs. Morley Andrews well worth while and the singing hearty.

Then the president introduced the speaker, who, however, she said, needed no introduction to an Aurora audience.

There are some speakers to whom, apart from their subject matter, you listen for the sheer pleasure of listening.

Mrs. Proctor belongs to this favored few; her voice is delightful and even without the aid of her pictures you saw what she said.

The photographs, taken and colored by herself, were works of art, and carried us on a delightful quest, through wood and vale and swamp and forest, to see, with delight, the known and almost unknown beauties who live out their lovely lives in these often almost inaccessible places.

Unlike some of the great beauties of history, these lovely things hide and find splendid protectors in black flies, mosquitoes and snakes. But to the few persevering souls who love them they disclose their loveliness and thanks to these same brave few, we commonplace folk get a chance to revel in their pictured grace and charm.

There were some orchids of such exquisite shades of rose that one wondered how Mrs. Proctor ever managed to match paint with reality.

There were wild flowers we know and some we never even dreamed of, and looking at them one felt it was well that they were hidden in these far and hard to reach places.

It's a sad commentary on our foresight and love of beauty that were they easy of access there would soon be none to joy the heart of those who keep them for us in photo and painting.

How often we see the lovely wood violets picked and thrown away, picked just for the pleasure of picking and often the plant pulled up too.

If we can take them up root and

Friends from a distance who attended the half yearly meeting at Yonge St. over the weekend included Joseph and Arthur Clayton, Morris Pollard and Bertha Haight, also spending some time at the home of Elmer Starr and Mrs. M. F. Starr.

all, they are a delight through the years. I have many which give me a taste of the woods every year. Red and white trilliums, too, and Dutchman's britches, as well as some others whose name I do not know.

Mrs. Proctor gave us a glimpse of beauty which will come back to us when days are dreary, to cheer us.

Over a cup of tea after the talk we had an interesting half hour with some of the ladies—this about birds, for Aurora is a bird-conscious town.

Talking to some who already had seen this year 30 or more varieties, I felt as small as a humming bird's pin feathers—if humming birds have pin feathers.

But a talk like Mrs. Proctor's and a discussion on birds which followed has a distinctly rousing effect. It makes you want to find birds and flowers for yourself.

I'm even going to try to paint some of the flowers I do know, for in the world of beauty about us, we can all have a share if we have eyes to see.

"SALADA" TEA

Over in Europe the war is over for thousands of people, but the aftermath of war is more horrible, in many cases, than war itself, for hunger and famine are stalking the land.

But what a different picture here in Canada! Our few sacrifices are worth scarce a passing thought. There is food a-plenty for everybody, and at prices that make the food available to all.

One vital need of the hungry peoples of Europe is for pork and bacon. That need will exist for months to come. It is up to the farmers of Canada to supply that need to the greatest possible extent. Our hog production must not slip. We must raise more hogs "over here" for "over there".

By raising more hogs the Canadian Farmer helps himself too—because there's money in hogs if they're fed right. Feeding right means giving them a balanced feed—your own grain and SHUR-GAIN 41% HOG CONCENTRATE. The cost of raising a hog to market weight with this balanced feed is about \$19.80, the cost of feeding on grain alone is about \$19.80. You save the difference of \$6.30 per hog!

Decide now to go after more money from your hogs, by feeding a balanced feed. SHUR-GAIN HOG CONCENTRATE gets hogs to market faster, and with the better finish that brings bonus checks!

(Continued from First Section) plete shutout against the nine from the Army Medical Corps. Brown, who is six foot two, is a Toronto boy.

Eric Soanes, former Aurora boy now resident in Oakville where he practices medicine, has been elected to the board of directors of the Oakville Lions club. "Red" played some nice baseball for Aurora in the York-Simcoe league, starred at cricket for Ridley college, and played outside wing on the Toronto Varsity football club. Bill Klersy, former goalie for Etobicoke juniors and who just about signed with Aurora juniors back in 1940, is one of the first Canadian airmen to be reported "missing", following routine European flights over Europe after V-E Day and has been officially declared as dead. He had the rank of squadron leader and had won the D.F.C. The loss of the young flier is all the more tragic because he met his end accidentally.

One hundred years ago, according to historians, the first baseball organization was formed in New York called the Knickerbocker Baseball club. Baseball, of course, had been played in some form or other from around 1800 in the U.S.A. and there is no doubt that the English game of rounders and cricket were the forerunners of baseball.

Actually the Hall of Fame at Cooperstown, N.Y., was not the only place baseball was played in 1839, when ball was supposedly originated, and since Abner Doubleday, generally credited with being the creator of baseball while a resident of Cooperstown and an early player, was not the originator of baseball.

Alexander Cartwright of New York drew up the first "baseball square" nearly 100 years ago and at the same time, he and club members of the Knickerbocker club drafted the first definite rules, and they were used for the first time in a game in June 1846 between the Knickerbockers and the New York nine. Until Cartwright laid out the diamond as we know it today, the game had five bases. You batted from

the home plate and scored your run at fourth base after travelling past first, second and third. Eleven men originally composed a team in place of nine. The original sketch by Cartwright is the same in all ways as that used now except that the pitchers' box is now 60 feet, six inches away in place of the original 46 feet, the shortstop plays back of the baseline, instead of in front of it, the catcher now stands back of the plate instead of taking balls on the first bounce.

First news story about baseball appeared in April, 1833, in the Sunday Mercury of New York. In 1857, with 25 teams represented, the National Association of Baseball Players was formed, the first league in existence. In 1858 the called strike came into being. In 1859 the first gate was charged, all games having been free until then. Philadelphia Athletics were organized in 1860, the oldest club playing today. Al J. Reach became the first professional player in 1864, transferring from Brooklyn to the "A's". First glove was worn by a catcher, Allison, of Cincinnati in 1869. First doubleplay was by Wright of the Reds in 1870, first shut-out score was 1-0 for Chicago over St. Louis in 1875.

First night game was not in the 30's as you might think but back in 1883 at Fort Wayne, Indiana, under electric lights. In 1884 Charlie "Horse" Radbourne pitched 72 complete games. Chest protectors for catchers came a year later. Polo Grounds, New York, were opened in 1889. First Sunday games were played in 1892. Harry O'Hagan of Rochester made the first unassisted triple play against Jersey City in 1902. Modern world series system started in 1905. Cork centre ball was first used in 1909. There have been many changes since then but none of the same importance.

Longest throw was one of 426 feet, made by Sheldon Lejeune during a field meet at Cincinnati in 1910. It has never been closely contested. Ed. Walsh, one of the greatest of all pitchers, holds the fungo hitting mark of 419.5 ft. Evar Swenson holds the professional record for circling the sacks of 13 2-5 secs. This latter mark has been in danger of being beaten several times.

In Canada baseball was being played shortly after Confederation and as early as 1877, Guelph Maple Leafs and London Tecumseh were playing in the International Association, forerunner of the present International League. London captured the pennant with Lynn, Mass., Columbus, Ohio; Pittsburgh; Manchester, N.H.; being other competitors. The league folded in 1879 and the oldest minor circuit is reputed to be the North-Western league in the mid-west. One Joe Page, a player with Indianapolis, is credited along with the C.P.R. for the spread of baseball across Canada. Page made the arrangements and the C.P.R. provided the excursions to attend. So much for a subject which could fill whole books let alone part of a column.

(May 31)

Williegivit, the good juvenile owned by Norman Heise, didn't win her first start but another 100 yards and she would have. The showing was most encouraging, however, and those who backed the Heise horse across the boards were all smiles. No wonder. Williegivit paid \$18.90 for second and \$9.80 for third, excellent odds in any circuit. Quite a few of the boys made some heavy sugar on the race. Next time out the odds will be shorter, as this one caught the experts cold.

The prize money for second went to Mr. Heise but the amount paid in such races is but a fleabite to the cost of producing good running horses. On the best authority, it is no secret that bringing a horse this far costs the owner plenty of good, cold gilt and it would not surprise us if Norm had spent as much as a couple of grand in developing his pride and joy. Racing, while it pays if you have a winner or winners, is no game to break into unless you have the chips and the willingness to invest for the future. Mr. Heise has made a fine start and his friends are glad to see him beginning to realize in a financial way from his expenditures as well as gaining that personal feeling that can only be described by an owner or parent who sees his or her prized possession do well.

Well Uttermost justified everything everybody was saying about him by taking the 88th running of the King's Plate with ease and setting a new record of 1:53.8, bettering the mark of Horometer. We bet Mr. Hatch is regretting that it is Fair Jester and not Uttermost that is eligible for the Kentucky Derby. Perhaps he can get in to the Preakness or Belmont, the other two big 3-year-old races in the U.S.A.

John Stuart was naturally disappointed with the showing of his good horse, "The Sheriff", and so were many others who backed the law to the limit. There are no alibis however. "The Sheriff" is good, "Uttermost" is better. John has his good 2-year-old, Beanie Lix, out of action for some weeks too, due to a leg injury in her first start, but she will be back on the go at Hamilton. He also lost Orenco, one of his jumpers, in a claiming race but

THE NEWMARKET ERA AND EXPRESS, THURSDAY, JUNE 7, 1945

got his pricetag on the horse just the same. His best jumper, Rice Cake, has been in the money twice and is just about due to win one of these thrillers any time now. He also sold Rolling Car, who scored the first win of the year for him, the two-year-old, Three G's, and the maiden 3-year-old, Frans Gal, to a Winnipeg syndicate. In return he spent \$1,000 and acquired Plucky Ted, who bears great promise for the future in the shorter distances.

Mrs. Stuart has her own horses and soon some of them will face the starter. Her colors are white silk, red hoops and red cap, and there is quite a bit of rivalry in the household. It will be interesting to see just who has the better judgment on horseflesh. The situation of husband and wife having separate racing entries is nothing new as witness the Harry Payne Whitney's, the Ryland News and others.

Barefoot high jumping is something we have not seen for quite a while but we notice young Johnny Doll of U.T.S. uses this method and topped 5'10 1/2" in competition in the school championships. There are very few in Canada who can do better with spike shoes, let alone bare feet.

Ac Yake writes from Germany. "Just a line to let you know I managed to rejoin my unit a few days before the big day arrived. Well I'm once more in shape and I've already played first base for our company in inter-unit competition. It is odd for me as there are so few of the old gang left."

Acce had just received a copy of "Down the Centre" and expressed the hope Joint McComb would get a break in the N.H.L. He enclosed a German coin and a purple colored stamp, which bore the features of Hitler. He says: "Canada is a place for gaiety and fun and not for war and trouble". Come next year, Floyd will likely be back waving his war club and tossing those left-handed ones around the Aurora softball diamond.

Colin Nisbet is coming in for some well deserved praise these days for the condition of the fairways and greens at the Aurora golf club. Everything is in top condition according to the hit and hunt boys, and come the middle of next month, the members say there won't be a better nine hole course in Ontario. Mr. Nisbet is also beautifying the course, and

with permanent tenure assured, something the club has lacked down through the years, the Aurora club should come into its own. The membership is up a bit from last season, and once gas rationing is lifted, and golf balls become more plentiful, Torontonians will be invading this nifty little course.

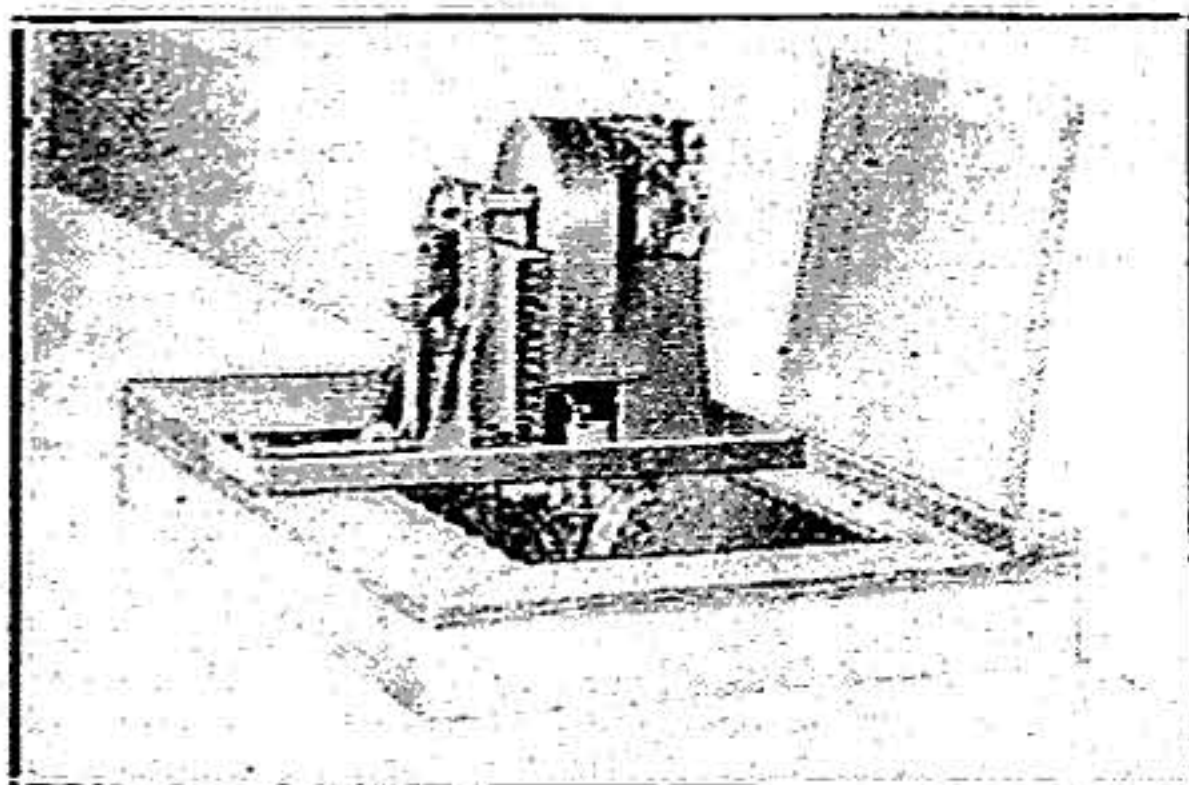

The Tony Smith Steeplechase had its first running last week, and "Little Sammy" was the winner. Named in honor of the late Capt. Tony Smith, Toronto-Aurora sportsman, it will be held annually by the Ontario Jockey Club. Capt. Smith was a daring rider himself and in the first running of the event three riders were thrown from their mounts. Capt. Smith was killed in action in Italy in 1943. The race has a value of \$1,500 and is a jittery memorial to a good sportsman.

HAVE YOU REGISTERED YOUR CHILDREN FOR

FAMILY ALLOWANCES?

1,200,000 FAMILIES have already registered for Family Allowances. Approximately 100,000 families who are entitled to register and who will benefit, have not yet registered.

Family Allowances cheques will be mailed in July.

If you want to receive your first cheque, register now. If you delay your registration any longer, it may not be possible to deal with your application in time to send you the first cheque.

If you have children under 16 and if your income is under \$3,000 a year, you will benefit from Family Allowances. If you have not registered, and intend to do so, please act at once! Family Allowances Registration forms have been mailed to every family. They can be obtained at the nearest post office or by writing to the Regional Director of Family Allowances in the capital of your province.

FAMILY ALLOWANCES AND INCOME TAX

When the Family Allowances Act was passed, Parliament approved the principle that there should be no duplication of benefits by way of Family Allowances and Income Tax credits for the same child.

Family Allowances cheques will be paid in full every month. But for the last six months of 1945 an adjustment will be made to avoid duplication of benefits. The table below shows the effect of this adjustment and will enable taxpayers to determine the extent to which they will benefit from Family Allowances.

TABLE SHOWING EFFECT OF ADJUSTMENT FOR 1945

AMOUNT OF TAXABLE INCOME	Not over \$1200	Percent by which taxpayers will benefit from Family Allowances in addition to present income tax credits, for 1945.
Over \$1200 but not over 1400	1400	100%

NOTE:—This table applies to married persons and others having the amount of married persons for income tax purposes. For the relatively small number of single persons supporting children and not having married status for income tax purposes, and for members of the Armed Forces, special tables can be obtained from the Regional Director of Family Allowances in each provincial capital.

The BENEFITS: The Family Allowances Act was passed to help equalize opportunities for all children. The monthly allowances will assist in providing medical, dental and nursing services, better food, better clothing and shelter.

Family Allowances are additional to dependents' allowances for servicemen's families and military pensions.

Furthermore, Family Allowances are NOT taxable. You do not add these monthly payments to your total income when computing your income tax.

In the column at left is an explanation of the relationship between Family Allowances and Income Tax deductions for children. From the table given you can determine quickly the extent to which you will benefit.

REGISTER NOW!

If you intend to apply for Family Allowances but have not already done so, please act at once—in the interests of your children. Remember, the first cheques will be mailed in July, but only to those who have registered and are eligible to receive Family Allowances.

SCALE OF MONTHLY ALLOWANCES FOR THE FIRST FOUR CHILDREN

For each child	
Under 6	\$5.00
From 6 to 9 (inclusive)	6.00
From 10 to 12 (inclusive)	7.00
From 13 to 15 (inclusive)	8.00

Where there are more than four children under 16 in the family, the monthly allowance for each child after the fourth will be reduced in accordance with the provisions of the Family Allowances Act.

The Canadian people have made a magnificent contribution to the common victory in Europe.

The Liberal administration can say with honesty and justice:

This is the Government which has directed Canada's war effort at home and abroad.

This is the Government which during the war worked out a program of full employment and social reform.

These things are now a matter of record and of common knowledge.

On the basis of its record the choice of Prime Minister King's party to form the next Government of Canada is a matter of just plain

THE PATRIFINDER

A GUIDE TO CAREERS

By H. J. RUSSELL, M.R.S.T., PICKERING COLLEGE

Article Five

"Occupational Reviews" is the title of a series of bulletins being published by the R.C.A.F. personnel counselling program, the idea being that as men and women leave the air force to engage in civilian occupations, they may have at hand some information regarding today's opportunities.

The bulletins are not too large and the paragraphs of information are concise and to the point. The headings are rather interesting. For instance, in the bulletin dealing with the occupation of retail manager, we find vocational information under such headings as history and importance, present status and trends, duties, qualifications, preparation, getting started, time required, advancement, related occupations, hours of work, earnings, regularity of employment, health and accident hazards, organizations, trade publications and related reading.

The bulletin remarks that retailing goods is the oldest business in the world. According to the 1941 census, there were 15,945 retail managers in Canada. Their average yearly earnings are given as \$1,933, but seven percent of them made over \$4,000.

There is no doubt that many service men will seek to establish businesses of their own and in the urge to get started there is a temptation to take on the obligations of running a business before one is really ready. The service man must take care of his capital and should, as the Better Business Bureau puts it, "investigate before he invests."

Computation and clerical ability are important. Surveys have shown that in the case of many retail business failures the majority did not realize that they were falling until near the end, and lack of accounting ability was the cause.

What education should you have? As much as you can get, from high school graduation to a university degree in commerce. There are cases, rather a large number, where men have succeeded in retailing with only a grade school education but the trends show that the standard of education is rising.

Among the duties will be found supervising of selling and maintenance employees, report making, taking of inventories, planning and promoting sales, purchasing, care of premises, merchandise display, keeping of records and ability to meet the public.

According to a 1941 survey,

MAGISTRATE'S COURT
TRAFFIC OFFENCES
JUDGED IN COURT

Pleading guilty in magistrate's court here June 1 to a charge of having license plates on the car which he was driving that did not belong to that particular car, Clifford King, Sutton, was fined \$10 and costs.

County Constable William Hill informed his worship, Magistrate W. E. McIlveen, that on April 17 at 1 a.m., while investigating an accident he checked on the defendant's license plates. He said that Mr. King admitted that he was the owner of two cars, a 1932 and a 1936 model. He said he was unable to obtain license plates for the last mentioned car so transferred those from the 1932 model. The officer stated that he checked with the local license distributor and found that Mr. King had attempted to purchase a license for the 1936 car.

Asked by his worship if Mr. King's car was in the accident, the police officer stated that it was not involved.

"The accused owned both cars but the law says that you cannot change license plates, so I will have to fine him," commented Magistrate McIlveen.

Because he permitted his son, Harry Hodgson, the holder of a 60-day permit, to drive a car without a licensed driver in the car with him, George Hodgson, Sutton, was fined \$10 and costs. His son, who pleaded guilty to a charge of failing to be the holder of a driver's license was also fined \$10 and costs.

According to Constable Hill, on April 17 at 1 a.m., he investigated a fatal accident west of Sutton in which the car driven by Harry Hodgson was involved. Examining the latter's permit he found that it was only a temporary permit

which necessitates a licensed driver to be in the car with the driver, he said. The officer stated that there was no licensed driver in the car with Harry Hodgson. Questioned by his worship, George Hodgson, who said that he was a garage owner, stated that he was short of help at the garage and had allowed his son to take the car out.

Found guilty on a charge of exceeding the speed limit on Yonge St. on May 26, Herbert Rumsey, Toronto, was fined \$15 and costs. Provincial Constable William A. Melbourne laid the charge.

For failing to stop his car at a stop street, Alexis Welton, King, was fined \$3 and costs. Constable Melbourne told his worship that he was on traffic duty at the corner of Huron St. and Yonge St. on May 19 when he noticed the defendant, who was driving along Huron St., enter the highway without stopping.

Workman, Farmer, War Veteran, Men And Women In All Walks Of Life

THIS IS IMPORTANT!

HERE IN BRIEF ARE THE LABOR, FARMER AND WAR VETERAN POLICIES OF THE PROGRESSIVE CONSERVATIVE PARTY, AND THEIR EFFECT ON THE PEOPLE OF CANADA AS A WHOLE

LABOR AND UNION MEMBERS

We accept and endorse the Proposed Management-Labor Code signed by William Green (A.F. of L.) and Philip Murray (C.I.O.) of March 28th, 1945.

For the implementation of these rights we shall establish a National Development Board to include leaders of labor, business, agriculture and government.

The Board will have the responsibility of working out plans for full employment, preservation of natural resources, and projects which will be in the public interest.

The National Development Board will have the power to encourage the establishment for each industry of an industrial council, composed of representatives of labor, management, agriculture and government, to assist in the formulation and administration of plans for full production and full employment in such industry.

We shall not permit the Trade Union Movement to be sabotaged, but will take all necessary steps to further its development and growth.

The War Veteran And Canada's Debt Of Honor

Positively no charity to the disabled... instead? A rate of pay which will permit of a decent standard of living.

To the returned man able to work; nothing short of full-time employment at a rate of pay which will permit of a decent standard of living.

John Bracken states definitely:-

"No man or woman who has worn the King's uniform and who is able to work must be permitted to go without an opportunity of a job. If existing enterprise cannot do this, the State must and will."

Adequate income for those ill or injured, whether on or off duty... no onus of proof on veteran as to causes after accepted for duty.

Proper housing for war veterans and their dependants.

Loans at a low rate of interest for war veterans desirous of establishing their own business.

War Veterans' Board with a war veteran as chairman and a war veteran as his parliamentary assistant.

This is a part of the firm policy for war veterans as laid down by John Bracken, National Leader of the Progressive Conservative Party.

Remember, John Bracken has three sons in the service... one in the Army, one in the Navy and one in the Air Force.

EQUALITY FOR THE FARMER

Prevention of post war collapse of farm income.

Definite floor prices to be established.

Fair share of income.

Improved market methods.

Equality of living standards.

Proper and easier farm credits.

Extension of farm research.

Better transportation between farms and supply centres.

Vocational training for farm youth.

Better opportunities for changes of employment for farm youth.

Preservation of family farm.

Better roads and improved rural living.

Equal representation on all national farm boards.

This is part of the soundest and most complete farm policy ever presented in Canada... all by John Bracken, National Leader of the Progressive Conservative Party. They are based on sound and careful planning.

OUR LABOR CODE

Partnership for labor.
Full time employment.
Reconversion not to be used as an excuse to retard the upward trend of wages and living standards.
Minimum age of employment and holidays with pay.
Minimum hours of work.
Equal pay for equal work.
Equality of treatment for men and women workers.
Social security to provide protection against: Unemployment, Sickness, Accident and Old Age.
Equal representation for labor on National Labor Board.
The right of employees to bargain collectively with their employers to be firmly established by law, accompanied by the outlawing of unions financed and dominated by employers. This is part of the carefully planned and sound labor policy laid down by John Bracken, National Leader of the Progressive Conservative Party.

There it is, a full and comprehensive program — freedom from want, freedom from fear, preservation of opportunity and individual freedom, and Social Security — without regimentation!
This program is Canada's for the asking. Your vote for Earl Toole in North York gives effect to these policies.
It will be appreciated that all this will work to the benefit of the small business man, storekeepers, etc., to men and women in every position, to industry as a whole, to the Church, and, in fact, to every man, woman and child in the Dominion of Canada, because these policies, under John Bracken, spell security, prosperity and Freedom!

TO ASSURE THIS SOUND AND MODERN PROGRAM

VOTE EARL TOOLE JUNE 11th

PUBLISHED BY THE NORTH YORK PROGRESSIVE CONSERVATIVE ASSOCIATION
